# DEVI AHILYA VISHWAVIDYALAYA, INDORE (M.P.) CENTRAL LIBRARY

# SCHOOL OF LIBRARY AND INFORMATIONSCIENCE Under (FACULTY OF ENGINEERING SCIENCES)

BACHELOR OF LIBRARY AND INFORMATION SCIENCE (B. Lib. & I. Sc.)

# PROSPECTUS & SCHEME OF EXAMINATION w.e.f. - 2020-2021 Onwards

#### 1. LIBRARIANSHIP AS A CAREER

Libraries are now universally recognized as important social institutions, no community is considered complete without a library. The rapid increase in production of recorded knowledge, have led to the expansion of libraries and the development of their services. A library is an important element of a community; an academic library is an essential part of an educational institution school, college or university; a business and industrial organization. Librarianship is a growing field, which has by now attained the status of a separate discipline in the universe of knowledge. It presents challenges and interesting situations to library personnel. The management of these libraries needs persons with good academic and professional qualification proficiency in one the natural sciences, social science or the humanities is helpful in the professional development of a librarian. Library work needs young professionals with a sense of dedication and a spirit of service. Those intending to enter the library profession should satisfy themselves that they possess the academic qualification and the sense of vocation that would enable them to work successfully as Librarians and Information Officers. Librarianship as a profession provides a variety of employment opportunities. In Fact, it is possible to choose the kind of library to suit one's interest and background. Persons with a superior record high qualification can achieve high position. The School of Library and Information Science, Central Library is organized under the Faculty of Engineering Sciences. It conducts one-year (two semesters) fulltime course leading to the Degree in Bachelor of Library and Information Science.

#### 2. OBJECTIVES:

- To give the student an understanding of the basic principles and fundamental laws of library science.
- To enable the student to understand the functions and purpose of library in changing social and academic environment.
- To train the student in the techniques of librarianship and management of Library.
- To train the students in information knowledge processing, organization and retrieval
- To provide basic knowledge of computer and its application in LIS activities.

#### 3. DURATION OF THE COURSE:

The Bachelor of Library and Information Science shall comprise of a course of study

spread over a period of **two semesters in one year** duration. The candidates will be full time students of the course.

#### 4. ELIGIBILITY:

A candidate seeking admission to the program must have passed a Bachelor's degree examination in any discipline with 45% marks or equivalent grade of Devi Ahilya Vishwavidhalaya, Indore or any other Statutory University/Institute recognized as equivalent thereto by DAVV. The candidate must have attained the age at the time of admission as Prescribed by the university from time to time.

#### 5. ADMISSION PROCEDURE:

The admission to the course shall be through written / interview examination as prescribed / decided by the university from time to time. (In case candidates are less than available seats direct admission may be given with the permission of Hon'ble Vice Chancellor.)

#### 6. NUMBER OF SEATS:

The total numbers of seats are 30. The Reservation of seats shall be as per M.P. Government and University Rules.

#### 07. Fees Structure:

Name of School: School of Library & Information Science
Name of Course: Bachelor of Library & Information Science

The tentative fee structure for the proposed course is as follows: (As per the University\*)

Semeste r	Academi c Fees	Dev.& Maint Fees	Serv	lents' vices ee	Exam. Fees	Total		Mone		Caution Money (Refundable)	Alumni Fee
			Boys	Girls		Boys	Girls				
First	5500	2000	3300	3111	2500	13300	13111	4000	500		
Second	5500	2000	2911	2722	2500	12911	12722				

<sup>\*</sup>The fees structure is subject to change by the Executive Council from time to time.

#### 8. CURRICULUM:

The details of the subjects to be taught during the one year period in two semesters, curriculum pattern and examination scheme for each semester shall be subject to the approval of the concerned board of studies/faculty/other academic bodies of the university. In addition, the students will be required to undertake and complete assignments, seminars, etc, as prescribed in the course of study. The detailed Academic program and scheme of examination are as follows.

<sup>\*\*</sup> Separately in Alumni Association Account only once.

### PROGRAM CODE - LI4A SYLLABUS FOR FIRST SEMESTER

(July-December)
Academic Year 2020-21 Onward

# Course 1.: Foundations of Library and Information Science

Course No.	Туре	Credit	Hrs/Wee k (The)	Hrs /Week (Pra)	Hrs/Se m (The)	Hrs /Sem (Pra)
401	Core	5	5		75	
Objectives	To learn the fundamental, historical and basic theories about Library and Information Science.					
Learning Outcomes	By the end of this paper, to libraries and information constitution issues of LIS					

Unit	Content	Hr/Unit
I	History and Development of Libraries with special reference to India. Role of Library from ancient period to modern times. Types of Libraries: Functions and services. Five Laws of Library Science and their implications in library and information activities. Biographies of Dr. Ranganthan, Melvil Dewey, Charles Cutter etc.	
II	National Libraries of India, USA and U.K in detail. Library movement programs in India after independence. Role of Library in education (formal and non-formal). Publicity and extension activities.	
III	International Library Associations: UNESCO, FID, IFLA and ASLIB. Library Associations in India, UK and USA: ILA, IASLIC, RRRLF, IATLIS, SIS, LA, ALA and SLA.	
IV	Library legislation; need and essential features. Model Public Library Act. Library legislationin India. Detailed study of Library Acts of Tamil Nadu, Andhra Pradesh, Karnataka, Maharashtra, West Bengal and other states.	
V	Attributes of Profession: Librarianship as a profession. Philosophy and Ethics of Librarianship Freedom of access to Information:IPR, Concepts, copyright issues, and Registration Delivery of Books (Public Libraries) Act.WIPO.
