

STUDENT'S FEEDBACK ON CURRICULUM

M.Sc. Bioinformatics, March 2021

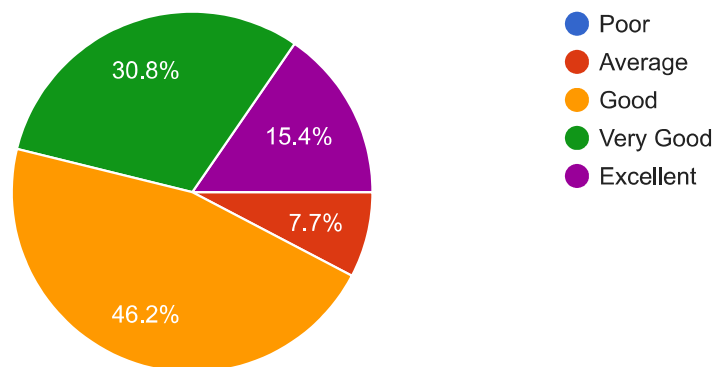

13 responses

[Publish analytics](#)

The syllabus is quite appropriate.

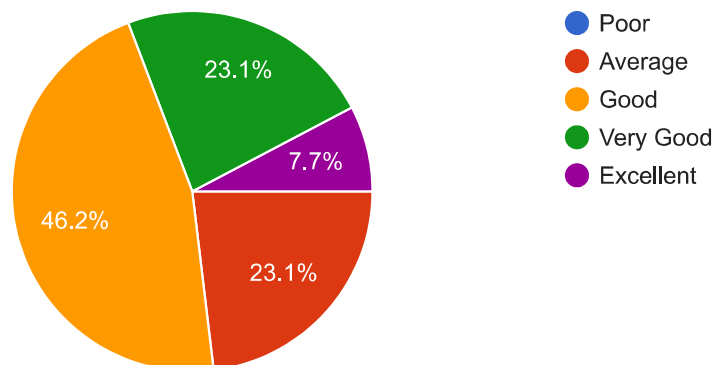

13 responses

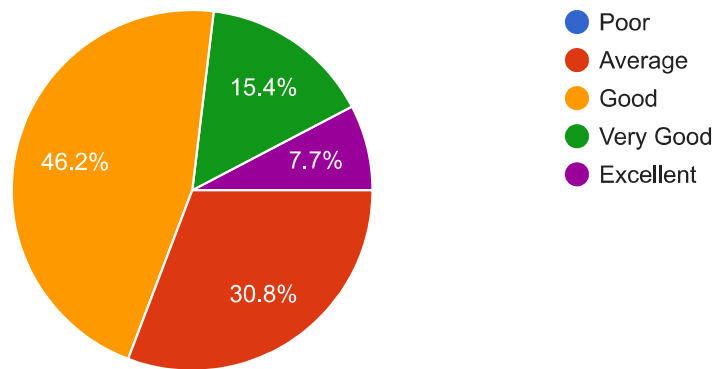

The allocation of the credits to the course is inappropriate in relation to the level of course work

13 responses

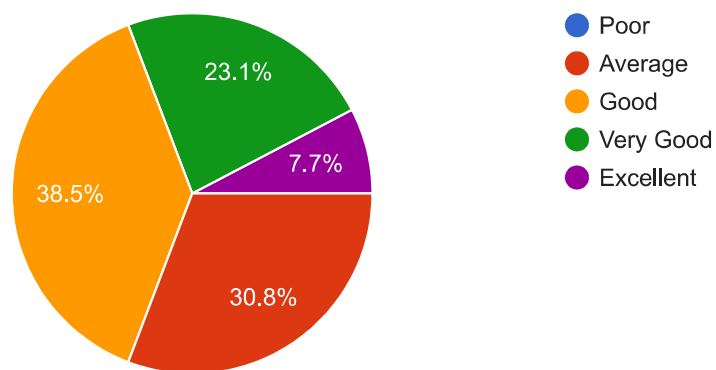

The depth of the course content is adequate in relation to the expected Course Outcomes (COs).

13 responses

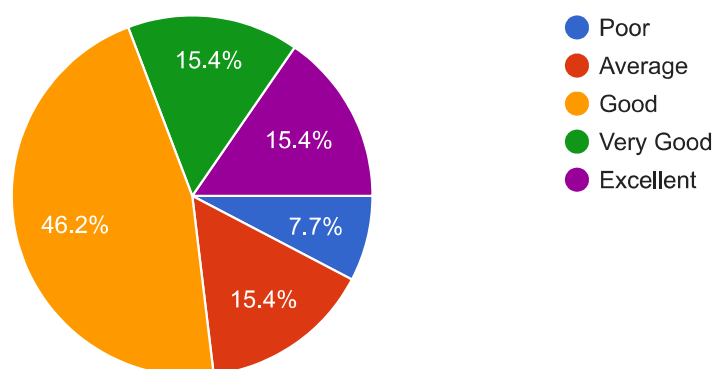

Almost entire syllabus was covered in the class by the teacher.

13 responses

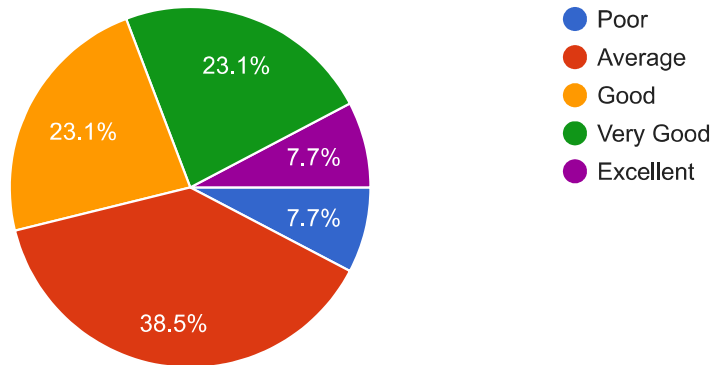

The units/sections in the syllabus are properly sequenced.

13 responses

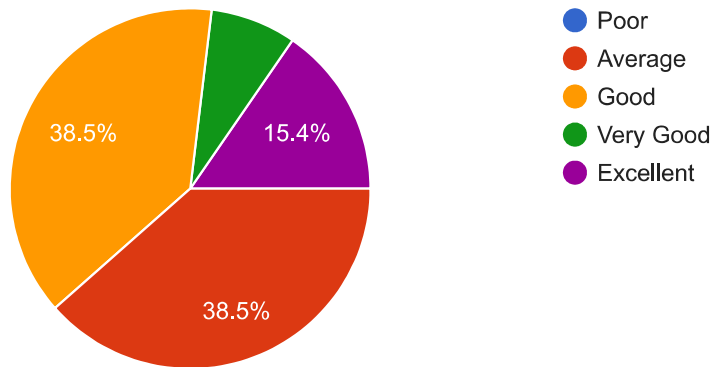

Syllabus equipped me with necessary technical skills to face the industry/academia

13 responses

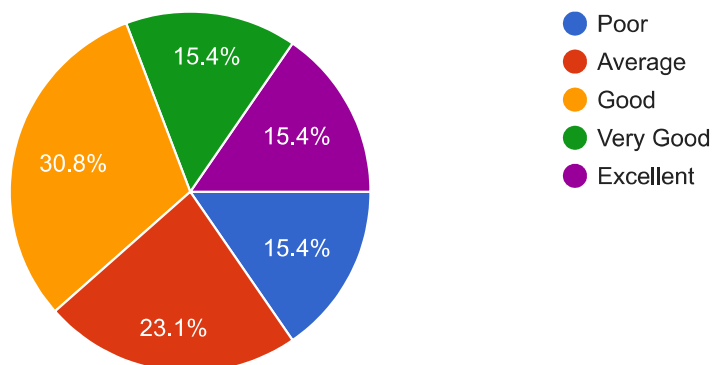

The syllabus enabled me to improve my ability to formulate, analyze and solve problems.

13 responses

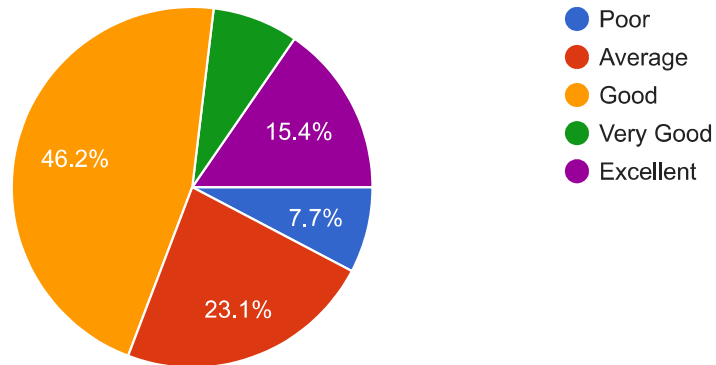

The course material is adequately available

13 responses

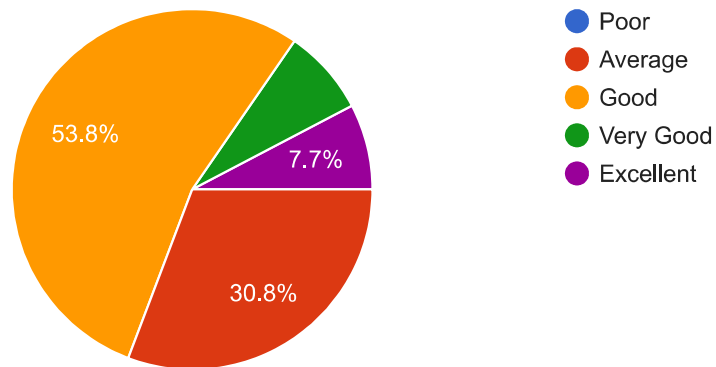

Relevance of programme for career avenues infuture

13 responses

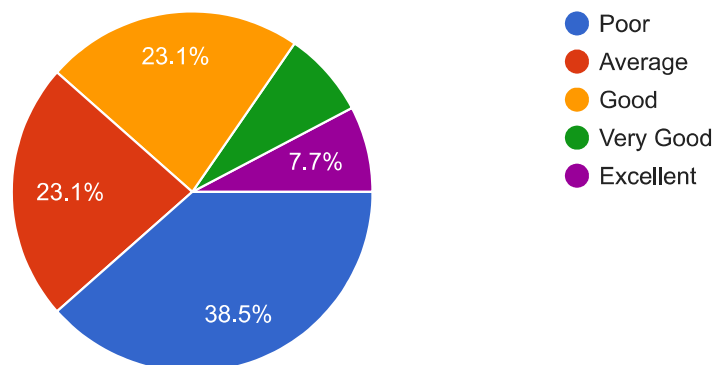

Relevance of electives to the specialization chosen

13 responses

The laboratory experiments enhanced my understanding of the concepts and enabled me to relate theory to practice (Experiential learning).

Suggestions/ comments, if any

3 responses

ONLINE LEARNING IS QUITE DIFFICULT AS MANY NETWORKS ISSUES ARE BEING FACED

All teachers staff r very good and helpfull for us..

There is a lot of problem being faced in online teaching . Class timing are not fixed some class are taken in evening some on sunday some times there are continous 4classes a day we do not get any time to do self study or revision. Proper knowledge is not gained in online classes . I want offline classes as in online classes I am unable to learn anything.
