Students' Feedback Analysis Report
(2020-21)

The general analysis has been encouraging for students and faculties. During online classes under the period of COVID-19 All the visiting faculties were rated excellent or good on more than 90% of the parameters mentioned in the feedback form. A few visiting faculties were rated good or average.

Department has appointed experienced and skilled faculties. The scores have also been informed to all faculties individually and faculty can also observe their respective individual feedback report for further improvement.

The consolidated remarks students shall be placed in the meeting with faculty for further appropriate actions to improve teaching standards.

Action- It has been worked out that students be more given site visits, workshops and jury, skill and job oriented contents included in the syllabus.
