

Feedback System

IET Feedback System is the feedback system where students can give online feedback to faculties and which can be viewed by faculties in an organised format.

Attendance System

IET Attendance System is an attendance panel for both teachers and students where teachers can save attendance online and students can view their attendance online in order to satisfy the minimum criteria for attendance.

Online-IET App

Android app for faculties and students including features like taking/viewing attendance, broadcasts, viewing schedule and many more to come....

Marks System

IET Marks System is a marks panel for both teachers and students where teachers can save and keep online record of marks of MST and final exams and students can view their MST marks.

Faculty Portal

A combined system to access Feedback, Attendance and Marks system by faculties of IET with only one login.
