

- 3.4.4 Number of Ph.D's awarded per teacher during the year
 3.4.4.1: How many Ph.D's are awarded within last 5 year
 3.4.4.2 : Number of teachers recognized as guides during the year

Name of the PhD scholar	Name of the Department	Name of the guide/s	Title of the thesis	Year of registration of the scholar	Year of award of PhD
Fatima Matkawala	School of Biotechnology	Dr. Anand Nighojkar	Microbial Alkaline Protease: Production, Purification and its Applications	2016	2020
Gaurav Singh	School of Biotechnology	Dr. Anil Kumar	Comparative analysis of some disease resistat genes: Glycine max L and Pheaseolus vulgaris	2013	2019
Shivani Bhagwat	School of Biotechnology	Dr. Anil Kumar	Unraveling the potential of Parthenium hysterophorus as a source of biofuel	2013	2018
Mukesh Patidar	School of Biotechnology	Dr. Anand Nighojkar	Screening of microbes for pectinase: production of pectinmethylesterase and endopolygalacturonase using solid state fermentation	2013	2017

Head
 School of Biotechnology
 Devi Anjya Vishwavidyalaya, Indore
