NSS volunteers, teachers, faculties, staff and students made their active contribution in the campaign by organising a pledge taking ceremony where they all pledged to avoid any kind of carelessness until there is a cure. The main slogan of the campaign was</p> <p>" दो गज दूरी मास्क है ज़रूरी ॥ "</p> <p>We also pledged to follow covid guidelines like maintaining social distancing, wearing a mask properly, sanitizing hands with an alcohol based hand sanitizer or washing them thoroughly and frequently with soap and water. Volunteers appealed the fellow citizens of the country to be united until we defeat this global pandemic. Together we can rise and get out of this crisis soon. The government is trying hard to protect us and taking efficient actions and it's our duty to co-operate with them. Jai Hind!!</p>

NSS Day and Gandhi Jayanti - essay writing and poster making

S.No.	Date	Name of Institute	Place	Number of students	Summary of the event
1.	24/09/2020 to 02/10/2020	IET-DAVV	Virtual Mode	60	<p>NSS Day 2020 was enthusiastically celebrated by the DAVV University on September 24th. It was the 52nd NSS Day, as it was first celebrated in 1969 (the birth centenary year of Mahatma Gandhi Ji). Over the years, NSS has worked upon the footsteps of Gandhi Ji and now includes over 4 million students from across the country. It's work can be perfectly understood by its slogan " Not me, but you !! "</p> <p>Indeed, the best way to find yourself is to lose yourself in the service of others. This is exactly what NSS does. It aims at providing hands on experience to young students in delivering community service. This was the very first time when the day had to be celebrated virtually.</p> <p>To mark the significance of the day, university level essay writing and poster making competitions were organised wherein over 60 students from different colleges under DAVV actively participated. They creatively portrayed their imagination on the topic "Online education amidst pandemic" and left it a difficult task for the judges to decide for the winner. The results and prizes were declared on 2nd October, i.e., Gandhi Jayanti, to commemorate 151st birth anniversary of the father of the nation. The students reminisced the teachings of Gandhi Ji and pledged to follow the path of truth and non-violence. Students also prepared a video based on the life and teachings of Mahatma Gandhi to pay homage to the great personality. He was one of those few leaders whose persistent efforts left an imprint on India's young generation. His legacy and miraculous achievements are still remembered till date.</p>
