

# SCHOOL OF CHEMICAL SCIENCES DEVI AHILYA VISHWAVIDYALAYA, INDORE

## Extension Activity

Date: 24-01-2021

### Literacy Program for Rural Students

School of Chemical Sciences has taken considerable initiatives in encouraging the students to serve the society, especially to serve the rural community children. In this regard, some of the students are involved in imparting literacy to the children of nearby villages. Some of the students have done appreciable work in achieving this goal.
