Sub: Up-gradation of existing Broadband connection at IET Premises

Presently, Institute is having a 2Mbps broadband connection from BSNL in addition to the internet services offered by IT Center. This broadband connection is used for administration purposes like online form filling of AICTE, MPONLINE services etc. However, in case of unavailability of internet services from IT center, the present broadband connection is used by faculty members and is not sufficient for all the faculty members to carry out their important work like uploading and downloading of information. In addition, the institute is also a one of the remote center for conducting online workshops offered by IIT Bombay using virtual classrooms model. The requirement for conducting these courses is to have a sufficient bandwidth to run a video lecture which is presently lacking with the present connection.

Therefore, it is proposed to upgrade the present broadband connection to a leased-line connection of 2 Mbps through BSNL. The expenditure for the proposed connection would be as follows :-

Existing Broadband Connection Charges 1	Proposed Leased-line Connection Charges 2	Additional Up-gradation Annual Charges (2-1)
Annual Charges:- ₹ 1,09,788 (₹ 9149 per month)	Annual Charges:- ₹ 1,65,000 (Leased circuit charges) ₹ 10,000. (Modem charges) + Service Tax @12.36%	₹ 1,96,630 ₹ 1,09,788 ₹ 86,842

Permission may please be granted for above up-gradation of internet connection and amount of ₹ 1,96,630 towards annual charges may be sanctioned for the same. The payment will be made to BSNL, a govt. Of India undertaking. The proposed payment can be made from the networking head available at the Institute.

Submitted for kind approval and necessary action.
