

BSNL Lease Line Connection 2Mbps

National Mission on Education through ICT (NMEICT) under MHRD organizes online courses for engineering college faculties. These courses are offered through various remote centres from all over india. Our institute is one of the remote center at Indore since June, 2012 and have already conducted 7 courses. NMEICT recommended a minimum of 2 Mbps leases line connection at remote centers. Therefore, we have taken an internet connection of 2 Mbps leased line connection from BSNL.

We have taken an approval of Rs. 1,96,630/- (inclusive of taxes) as an annual rent towards the leased line connection of 2Mbps for using internet services at IET. Last year, we paid the full amount i.e. 1,96,630/- in advance as an one year rent starting from 12th November, 2013 to 11th November, 2014. Now, we have received a bill of Rs. **75,421** (Rs. Seventy Five Thousand Four Hundred Twenty One) for the period **12st November, 2014 to 31st March, 2015** (for **140 days**). The bill amount can be calculated as follows :

SN.	Bill Head	1 Year Charge	140 Days Charge
1	Annual CPE Rental	10,000	3,836
2	Internet(1:1) non ISP 2Mbps	2,70,000	10,3562
3	Less:Educational Institute	1,05,000	40,274
4	Service Tax (@12.36%)	1,96,630	75,421

Submitted for sanction of Rs. 75,421 towards payment of a leased line connection and for kind approval.
