CERTIFICATE

This is to certify that Miss Deepika Keshari, a student of M.Sc. IV Semester (Biochemistry) has done her project work under my guidance from January – June 2022, at School of Life Science, DAVV, Indore. During her tenure she worked on the project entitled "Isolation of starch hydrolysing enzyme and its biochemical characterization from the germinated seeds of *Lablab purpureus*". She worked hard and sincerely during her tenure.
