Criterion I : Curricular Aspects

1.4.2

Action Taken Report

on

Feedback from various Stakeholders

|	Average Responses				Action Taken
	Student	**Alumni**	**Employer**	**Parent**	
Teaching	• Require knowledge of recent development in the subject. • Less outside classroom interaction due to online classes in odd semester.	• Focus on Practical work rather than theory.	Need of practical knowledge	Satisfactory	✓ Action taken on faculty with feedback < 3.0 ✓ Motivated Faculty members to attend FDPs on latest technologies. ✓ Remedial Classes are arranged for weak students and slow learners. ✓ Lab classes are increased
Course Curriculum	Satisfactory	• Need of Courses in-line with industry requirements. • Need to add more practical courses	More Practical knowledge required	Satisfactory	Following Courses are introduced/updated : • Internet of Things in MCA III Sem • AI & Machine Learning in MCA III Sem • Information Security in MCA III Sem • Cloud Computing in MBA(CM) IV Sem • Network Management & Cyber Security in M.Tech. (CS) Executive • BCA Courses are revised to include latest technologies and trend in first year of the study as per NEP2020. • Assigned Minor IoT+ML projects in MCA III sem
Discipline	No issue	No issue	No issue	No issue	Disciplinary Committee deals with matters relating to internal complaints of students
Infrastructure/Facility	Less computing Facility	Some infrastructure upgradation is strongly required in computer labs.	---	Satisfactory	✓ Motivated students to develop projects using online software development environment. ✓ Proposed purchase of new computers. ✓ Purchased IoT Lab devices and sensors.
Environment	Satisfactory	Satisfactory	Satisfactory	Satisfactory	✓ More than 500 plants are planted in the premises. ✓ Polythene and plastics cleaning gets done every quarter. ✓ Prepare compost from plant wastes. ✓ Organized Anti-tobacco campaign.
Employability	Placement issues in MBA(CM), M.Sc. Programmes	There should be campus placement for MBA Students also.	Satisfactory	Satisfactory	✓ Organized aptitude classes and expert lecture, seminars on current technologies..
