

Students have to complete the project with project report and demonstration/implementation in this semester only.

**Each project group must communicate to their guide once in a week compulsorily to inform about the progress of their project work, otherwise the project group would be detained from project work if there is a complaint of non communication from their guide**

**Project Activity Calendar:-**

<b>Document to be mailed to guide</b>	<b>Last Date of submission</b>
1) Synopsis	10 Sept 21
2) Software Requirement Specification(SRS)	25 Sept 21
3) SDS/ Project Report	18 Oct 21
4) Presentations and demo of project work will be in last week of Oct 2021 in which internal marking will be done.	

Formats of all documents can be downloaded from

<http://www.iet.dauniv.ac.in/>

then go to Downloads → Project Documents see in Computer Engg Department.
