Department of lifelong learning organized two days' workshop on “ **ECO FRIENDLY GANESH IDOL CREATION**” in which 74 participants take actively part with full of interest and show their creative skills towards the workshop. Workshop is conducted online by expert material which is used clay, thick board, pencil, toothpick, colors, fevicoal, water container, oil and rough cloth.

Eco-friendly ganesh idols are those that are made of clay, natural fibers, paper and other biodegradable materials. These idols, when immersed in water degrade faster and do not harm environment as much as the ones made of POP.
