Department of lifelong learning organized one day workshop on “DECORATIVE PLATE” in which 62 participants take activity part with full of interest and confidence and make beautiful articles. Material which is required for decorative plate is sunflower color kit, Mouldid, fabric glue, fevicryl modge podge, plate, metallic Perl white color, metallic gold color, fine arts brush...

Decorative plates are also known as service plate, under plates, or chop plates, charger plates are merely decorative and are not meant to come in direct contact with food. Charger plates provide an elegant way to serve multiple course meals, where each course is served in a separate bowl or plate and placed on top of the charger.
