Arrowroot powder/corn  
flour, food colours,  
fragrance & old newspaper**

**workshop will be held on zoom meet**

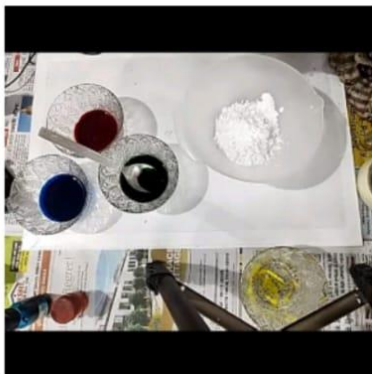

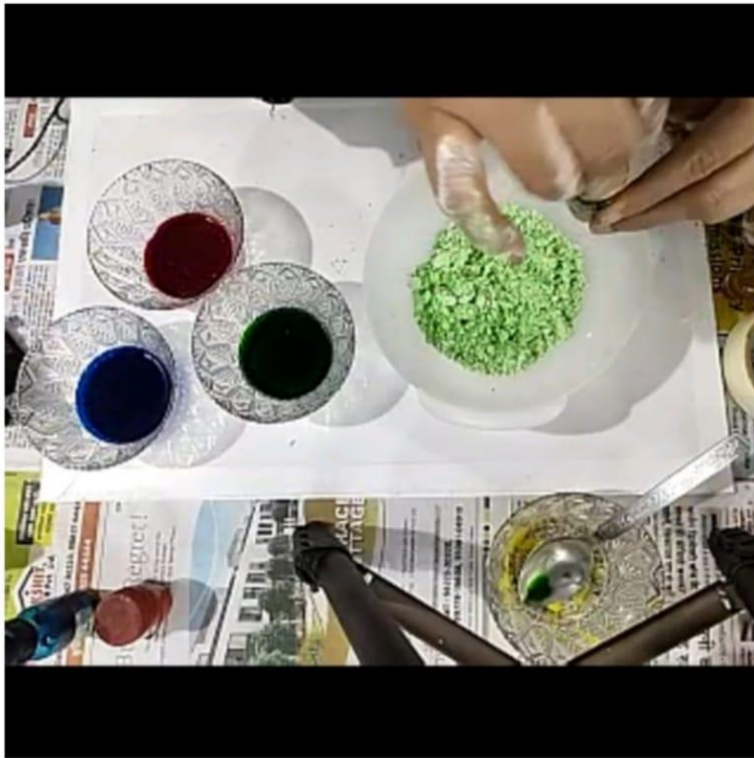

Department of lifelong learning DAVV Organized one day workshop on **ECO FRIENDLY HOLI COLOURS** In which 52 Students, senior citizens as well as home makers take actively part with full of interest and learn to make ecofriendly Holi colors which is not harm for skin and health. Holi is one of the most awaited festivals in India.

**MATERIAL REQUIRED** Arrowroot powder / corn flour, food colors, fragrance & old newspaper.

Eco Friendly colors have a natural fragrance. Completely safe for everyone, these organic colors do not cause any skin infection, hurt your eyes, and come with a beautiful smell. Homemade organic colors that are not only safe on the skin but also safe on the environment.
