5. WORLD MENSTRUAL HYGIENE DAY, 28 May 2022

A seminar by Ms. Rashmi Parashar is held on World Menstrual Hygiene Day at 3pm for the girl students, lady office staff and women faculty at DDU-KK, DAVV, Indore. This day is celebrated for annual awareness day that falls on May 28 every year. Also, the day is marked to highlight the importance of good menstrual hygiene and management at a global level. The theme of this year is "To create a world where no women or girl is held back because they menstruate, by 2030" Essentially, it means a world where every girl or women is empowered to manage her menstruation safely, hygienically, with confidence and without shame.
