Expert Lecture Report: THE INNOVATION BREAKTHROUGH

Date: March 15, 2023

Time: 2:00 p.m.

Venue: Room LT 1, International Institute of Professional Studies, DAVV

Overview:

The Innovation Breakthrough Expert Lecture, conducted by Abhijeet Singh Bais, Data Science Solution Lead at Elevance Healthcare, US, on March 15, 2023, at the International Institute of Professional Studies, provided an insightful exploration into the challenges faced during innovation. The Expert Lecture aimed to equip participants with a better perspective on innovation challenges, showcase the latest trends in the field, and introduce emerging technologies.

Expert Lecture Highlights:

1. Insights into Innovation Challenges:

Abhijeet Singh Bais delved deep into the challenges encountered in the innovation landscape. Participants gained valuable insights into common hurdles faced by professionals and organizations striving for breakthroughs in various domains.

2. Latest Trends in Innovation:

The Expert Lecture extensively covered the contemporary trends shaping the innovation landscape. Abhijeet Singh Bais shared cutting-edge developments and highlighted how staying abreast of these trends is crucial for staying competitive in the dynamic field of innovation.

3. Emerging Technologies:

A significant portion of the Expert Lecture was dedicated to exploring emerging technologies. Abhijeet Singh Bais provided a comprehensive overview of technologies that are poised to revolutionize industries. Participants had the opportunity to understand the potential impact of these technologies on their respective fields.

Participant Feedback:

Feedback from participants indicated a high level of satisfaction with the Expert Lecture content and delivery. The interactive nature of the session, coupled with real-world examples shared by Abhijeet Singh Bais, contributed to a positive learning experience.

Conclusion:

The Innovation Breakthrough Expert Lecture by Abhijeet Singh Bais was a resounding success, providing attendees with a deeper understanding of innovation challenges, exposure to the latest

trends, and insights into emerging technologies. The Expert Lecture's impact extended beyond the theoretical, offering practical knowledge that participants can apply in their academic and professional pursuits.

This event served as a valuable contribution to the academic environment at the International Institute of Professional Studies, fostering a culture of innovation and forward-thinking among students.

Dr. Vivek Shrivastava
