This Report is about a workshop held by Task Force on Skill development , DAVV and Department of lifelong learning. This workshop's name was Green Ganesha. This workshop was held online so that it can reach to more number of people. The motive behind this workshop was to teach an individual that how you can make an eco-friendly green Ganesha which will save the money as well as the environment. If people want they can make a lot of Ganesha idol and also sale in the market which also promotes **Atma Nirbhar Bharat** and make in India project.

In this workshop the instructor was Ms. Sneha Kasera. She is an interior designer herself. She has a broad understanding of Art. She also has more than 4 years of teaching experience in this field. Now she is a visiting faculty at Department of lifelong learning DAVV , Indore.

This workshop was held on Google Meet and zoom platform as it is easy to access and more reachable.

The first class was held on Saturday i.e., 20/08/2022 @ 5:30PM -6:30 pm

The second Class was held on very next day i.e., on Sunday 21/08/202 @ 2:00PM – 5:00PM

The Third class was held on Monday i.e., on 22/08/2022 @ 5:30PM- 6:30PM

The link of this online class was sent to many students where a lot of them were actually interested to learn this skill and as a result 25 Quality students registered in this program. These students were from Indore and Surprisingly Students of a Village named Ninora also attended each class of this workshop cum Webinar. To name some of the students, Simran , Akanksha, Namrata, Aradhya, Divya & Kashish Attended the Webinar.

Here in the first class students were Taught:-

- How to Make the clay-soil Mixture for stability of idol.
- How to make the base on which the idol is going to be kept
- How to make the body
- How to make the Head of green Ganesha idol

Here in the second Class the students were taught :-

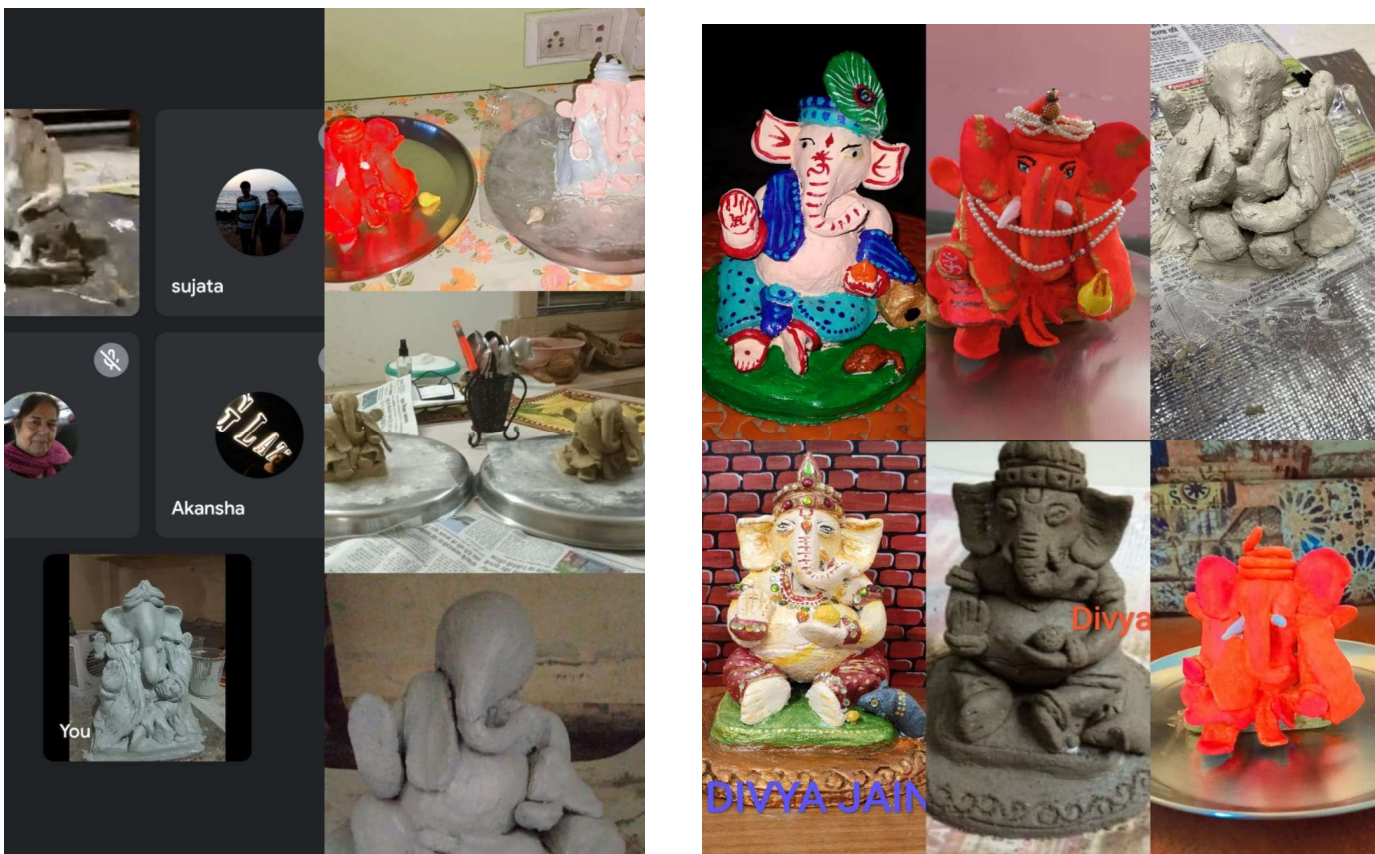

- How to make the ears .
- How to make the turban
- How to make the hands
- How to make ornaments

- How to make teeth.

Here in the Third class the students were taught :-

- Techniques to dry the idol quickly
- How to apply the primer color.
- How to mix colors to get desired color.
- How to get proper shades
- How to decorate the idol and Mushak .

As a result all the participants made their own Green Ganesha idols. This Workshop successfully taught them to make your own Green Ganesha at home. Here are some idols that were created by participants.

Date :- 23/08/2022
