Dear Students,

Schedule for Laboratory Viva:
02/03/2022, 11:55 am onwards.

Lab manuals need to be submitted in Google Classroom. Option for submission has already been shared with you. Revised last date for submission is 01/03/2022. Marks will be deducted for late submission. Your lab grade will depend on attendance in the lab, lab manual and your performance in lab viva. Join using the class link.

The End Semester Examination of EL13108 Programming in C paper is scheduled on Friday, 25/02/2022. The exam. will be conducted in online proctored mode. The timing of the Examination is 11:00 am-2:00 pm.

Please note the following points for the proctored examination:

1. The exam will be conducted in online proctored mode (using Google meet). For this, you have to turn on the mobile or laptop camera.

Link for meeting: meet.google.com/yjf-mqzv-gam

Link for the exam paper: <https://forms.gle/uLKuEoyY2ee7xj2o6> . This link will start accepting responses from 11 am tomorrow.

2. You will not be allowed to move away from the camera or turn off the camera before the end of the examination. Hence, please keep all the necessary items for examination with you beforehand.

3. You will not be permitted to talk to anyone nearby or on mobile phone till the end of the examination.

4. The questions may be descriptive in nature. Therefore, you have to upload the Pdf copy of your answers. Be prepared for a quick scan and upload.

5. You shall login using your Google account to upload the file.

6. Violation of point 2 and 3 will be treated as use of unfair-means, and this will cancel your examination.

7. In case there is any difficulty in uploading the paper or submission of the paper, send the pdf files and the screenshots to me on mail id mkorwal@yahoo.com latest by 2:15pm. **Any further delay will lead to negative marking i.e. minus 5 for every ten minutes delay.**
