Plantation on Environment Day

S.n	Date	Name of Inst	Place	No. of Participants		Summary of the event
				students	teachers	
1.	05/07/22	IET-DAV V	Campus	12	10	<p>Trees play a very important role in conserving the biodiversity of the area and cooling the environment, providing shelter, keeping air an waterbalance in lithosphere and atmosphere and countless more.</p> <p>On the mark of Environment Day, the NSS volunteers organized a plantation in the college campus and with the help of students and staff members marked placed to plant trees. Revered Director Sir joined this wonderful initiative and together everyone planted 4 saplings of plants in the area and 1 sapling of Neem Tree. Students later were joined by faculty members who helped them explore the positives of planting trees and conserving nature through small practices and also how to take care of planted saplings. It was an overall fulfilling and successful event celebrating gifts of nature and greenery.</p>

Har Ghar Tiranga Campaign

S.n	Date	Name of Inst.	Place	No. of Participants		Summary of the event
				students	teachers	
4.	13/8/22	IET-DAV V	Online Medium	20	5	<p>Every year, Independence day is celebrated with lot of pride in India but this year it was different as there was the special occasion of 75th Aazadi Ka Amrit Mahostava .</p> <p>NSS team organized an activity to make this celebration more memorable. Under the "Har Ghar Tiranga" campaign, an activity was organized where selfies and videos of flag hoisting was to be uploaded in the google form and get a chance to get featured in the social media handles of NSS. This was like an opportunity to showcase the patriotism towards the country. There were around 15-20 entries for the activity.</p> <p>The students and volunteers submitted their entries for the collaborative video making which turned out to be wonderful.</p>

Lecture on India's Scientific Contribution to Freedom Struggle

S.n	Date	Name of Inst	Place	No. of Participants		Summary of the event
				students	Teachers	
6.	17/08/2022	IET-DAVV	M-Block Auditorium	40	5	<p>On 75th year of India's Independence, "Azadi ka Amrit Mahotsav", to commemorate this special day Dr. Rajiv Dixit was invited. He spoke about several unsung scientists and science commutators who were involved in the struggle and challenges during freedom movement of India.</p> <p>Referring to Plassey Battle in 1757, he pointed out how the Britishers carried out a survey of India scientifically in 1767. He also told about Jagdish Chandra Bose, who protested against Britishers by not taking the reduced salary. Like these he told about many more scientists who contributed in India's freedom struggle.</p> <p>At the end he concluded that "We should not only limit our celebrations to freedom fighters who sacrificed their life for Independence, but need to remember the vision of those great scientists who stood for their scientific thinking even during the adverse situations."</p>

NSS Day Celebration + Village Visit

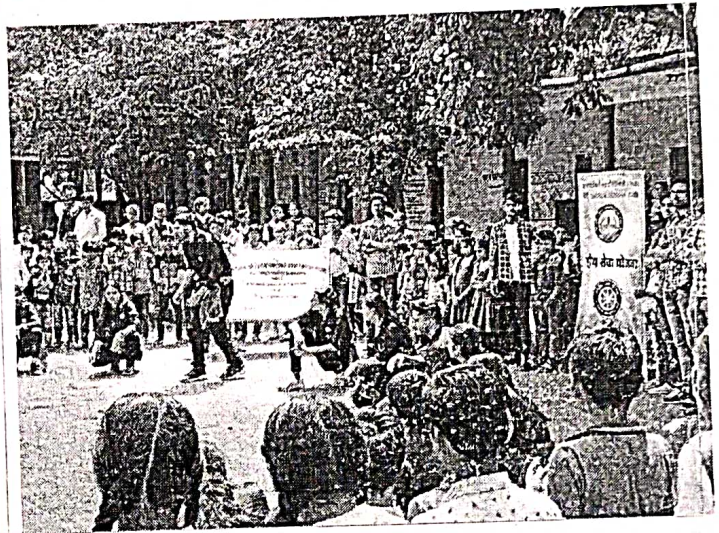

S.n	Date	Name of Inst.	Place	No. of Participants		Summary of the event
				students	teachers	
10.	24/09/22	IET-DAV V	Barlai Jagir Village	27	03	<p>The greatest way to find yourself is to lose yourself in the service to mankind. With the noble motive of 'Not me but you' in mind, the volunteers planned to set out an awareness centered village visit to the adopted village of the institute to celebrate the occasion of NSS Day.</p> <p>Performing students along with program coordinators arrived at the village panchayat house by afternoon via traveler buses arranged by institute, the topic of awareness was organic farming, sanitization, cleanliness and hygiene, voting rights and importance, girls' education. Along with performing on the topics of influence at places around the village like school and field, students also interacted with village men and talked about various issues of day to day lives and sustainable solutions to them, they were provided refreshments too by the end of the day. Under the guidance of mentors and traveling efforts of students the event turned out to be successful and most meaningful celebration of the NSS day with lots of learnings and memories that follow along the service.</p>

Blockchain Technology Seminar 2022

S.n	Date	Name of Inst.	Place	No. of Participants		Summary of the event
				students	teachers	
13.	19/11/22	IET-DAVV	Offline Medium	50	10	<p>Blockchain Technology Seminar</p> <p>The First Generation of the Digital Revolution Brought Us the Internet of Information. The Second Generation is bringing us the Internet of Value. Blockchain technology is one of those technologies that has given us a new platform to reshape the world of business and transform the old order of human affairs for the better.</p> <p>On 19th of November 2022, the NSS IET-DAVV Team & EWB IET-DAVV Chapter jointly organized seminar named Disha on "Blockchain Technology" in association with Cga Fintech Academy at Manohar Chandwani Auditorium of M-Block IET-DAVV. The objective of the seminar was to impart knowledge to students on the concepts of Blockchain technology, & it's application in different industries and sectors of the economy, and investment prospects of cryptocurrencies. Invited speakers enlightened the session with their pearls of wisdom and knowledge.</p> <p>In the beginning, Adv. Narendra K. Yadav, director of Cga Fintech Academy addressed the gathering through a discussion on basics of blockchain and cryptocurrency, how it came into existence and how blockchain technology can bring transformation in global banking industry. After that, He discussed various topics like uncertainty associated with cryptocurrency, types of cryptocurrency, detailed discussion on bitcoins- historical data, risk and return, conventional money theory applied to cryptocurrency and many more.</p>

S.V. Zarellar
22-01-24
Director
Institute of Engineering & Technology

He concluded with the point that- "The Blockchain is an incorruptible digital ledger of economic transactions that can be programmed to record not just financial transactions but virtually everything of value."

This seminar was a source of detailed information on blockchain and cryptocurrencies. Future of money lies in digital world.

Road Safety Awareness Program

S.n	Date	Name of Inst.	Place	No. of Participants		Summary of the event
				Students	Teachers	
15.	09/12/22	IET- DAVV	M-Block	40	10	<p style="text-align: center;">Road Safety Awareness Program</p> <p>A National Service Program for Road Safety was organized today by the volunteers . The program aimed to raise awareness about road safety and promote adherence to traffic regulations.</p> <p>The event began with the volunteers taking an oath to uphold road safety measures. Dignitaries and officials were present to witness the ceremony and demonstrate their support for the cause. Following the oath-taking ceremony, a comprehensive program was conducted to educate the participants about traffic rules and regulations.</p> <p>The IET volunteers actively engaged with the attendees, emphasizing the importance of responsible driving and pedestrian safety. They provided valuable information on traffic signs, speed limits, and safe driving practices.</p> <p>The program concluded with officials reminding everyone about the importance of adhering to traffic rules and regulations for personal safety as well as the safety of others. They expressed their gratitude to the IET volunteers for their dedication and selfless service in promoting road safety.</p> <p>Overall, the National Service Program for Road Safety organized by IET DAVV proved to be an enlightening and informative initiative. Through the combined efforts of the volunteers, it successfully instilled a sense of responsibility and compliance with traffic rules among the participants. This program serves as a significant step towards creating a safer and more disciplined road environment for all.</p>

19.	17/02/23	IET- DAVV	M-Block AUDITORIUM	50	4	<p>The NSS IET-DAVV team organized a special enlightening session on "Facing Life Problems" with the well-known Youth Mentor and Motivational Speaker His Grace <i>Krishnapada Das Ji</i> to help the students resolve their issues and find serenity in light of the rising mental pressure in today's society.</p> <p>As is customary, the session began with the Kulgeet of the Vidyalaya and was followed by the lamp-lighting ceremony in front of Maa Saraswati. The session continued as Guruji shared his knowledge and inspired the students as they worked to build their confidence. He advised them to maintain their composure and adhere to their goals if to succeed in life.</p> <p>By comparing the human mind and intellect to a charioteer and the soul to the rider on a chariot (human body) driven by the horses (Senses), he further clarified the significance of one's ability to control their senses when they are exposed to materialistic pleasures.</p> <p>Guruji spoke to students about his organization, which provides food and educational opportunities for those who are less fortunate. He also guided the students in building a connection with their inner consciousness.</p> <p>Everyone joined Guruji in chanting the holy name of Krishna and he responded to their questions as the session came to a close leaving the students enlightened and happy.</p>

Blood Donation and Awareness Campaign

S.n	Date	Name of Inst.	Place	No. of Participants		Summary of the Event
				Students	Teachers	
20.	23/02/23 - 24/02/23	IET- DAVV	IET COLLEGE CAMPUS	180	15	<p>Blood donation and awareness camp organized by the NSS IET DAVV was a tremendous success. This life-saving event was a heroic initiative that highlighted the importance of a small yet powerful gesture - blood donation.</p> <p>The NSS Volunteers left no stone unturned in ensuring that this event was a resounding success. They collaborated with the MY hospital's blood bank and health centre DAVV to oversee the donation process. An informative awareness program was organized a day before the event which aimed to dispel common myths about blood donation and educate students and staff members about the benefits of donating blood. The talks by medical experts, visually appealing posters, and captivating presentations were nothing short of an epiphany.</p> <p>The camp day was buzzing with energy and enthusiasm. The medical team arrived early to set up the donation equipment, and Students and college staff were invited to participate in the event. The donors were thoroughly checked for their medical history and general health before they donated blood. The blood donation and awareness camp were a roaring success. It was heartwarming to see the students and teachers step forward and participate in the noble cause. A total of 70 units of blood were collected, and this act of kindness will go a long way in saving lives, especially of patients with sickle cell disease.</p> <p>This event not only created awareness about the significance of blood donation but also touched the hearts of the everyone. It was a noble act, and we hope that such events continue to be organized in the future. Kudos to the NSS IET DAVV for their remarkable efforts!</p>

Yoga Day Celebration

S.n	Date	Name of Inst.	Place	No. of Participants		Summary of the event
				Students	Teachers	
23.	21/06/23	IET- DAVV	M-Block Auditorium	30	3	<p>"YOGA SE HI HOGA". This is a famous quote translating to "It can be done only by Yoga."</p> <p>To spread the message of physical fitness, NSS - IET DAVV took the initiative to conduct a yoga session on International Yoga Day. The event took place at 8 am in the morning under the guidance of Yoga faculties Rashmi Mam and Juhi Mam from Nature Pace Classes of Yoga. It was attended by the head of NSS- INDORE DIVISION, Dr. Prakash Gadhwal Sir as Chief guest and Mrs Seema Chouhan Mam.</p> <p>According to students very helpful, energized and calm yoga session. The faculties addressed on the importance of yoga in the student's life and highlighted the immense benefits of practicing yoga. It serves as a reminder of the importance of embracing this ancient discipline to enhance physical, mental, and spiritual well. Lastly refreshment of banana , sprouts and fruits were distributed among the students .</p>
