

## Schooll of Energy and Environmental Studies

### 4.1.1 The institution has adequate facilities for teaching-learning. viz., classrooms, laboratories, computing equipment, etc

School of Energy and Environmental studies provides facilities that contribute to the academic growth of students and faculties. The building is sourrounded by huge number of Trees.The school offers M.Tech programs( regular and executive mode) Energy Management , Dual degree (B.Tech and M.tech), Ph.D in the area of Energy and Environment. The school have centre of energy studies and research.The school started learn by learner acivity to enhance the research and skill development. There are four classrooms, with two rooms on the ground floor, one on the first floor have projector along with computer facility.and solar laboratory on the secon floor
