Thank you !

Dear Prof. Govind,

Thank you for your valuable contribution to Faculty Enrichment session conducted on 11th February 2023.

Today's discussions with our subject matter experts were instrumental in sharing industry insight on Agile Scrum Methodology. It was exciting to see such engaging conversations. Engagements like these allow us to make significant value additions to academic aspects for students and enable future readiness.

Below are a few snaps from today's session for your viewing.

A great honor to have collaborated with you on this initiative, and we look forward to advancing our efforts in upskilling and transforming careers.

Regards,

Harsh

University Liaison & Early Career Engagement

Dear Prof. Nitin

We thank you for taking interest in our Faculty Enrichment Program to be held on 11th February 2023, 11 am.

We strongly believe that technology does not change the world, but people do. In line with that thought, we are excited to host you in our office for this industry - academia connect session. We look forward to sharing our industry insight coupled with case studies and working view of the latest technology trends.

We hope to be a part of these stimulating discussions and continue our partnership to craft meaningful careers.

Below are the few details regarding the session.

Topic	Introduction to Scrum Master
Date	11 th February 2023
Time	11 am onwards.
