Devi Ahilya Vishwavidyalaya, Indore

Number of courses having focus on employability/entrepreneurship/ skill development year wise during the last five years

Name of the Course	Course Code	Name of the Programme	Activities with direct bearing on Employability/ Entrepreneurship/ Skill	Year of introduction
2013-14				
Services Marketing	FT 406M	MBA()	Team work, leadership, personal skills, time management	1969
Rural Marketing	FT 405M	MBA()	Team work, leadership, personal skills, time management	1969
Retail Marketing	FT 311M	MBA()	Team work, leadership, personal skills, time management	1969
Computer Applications	Stat_PhD_3	PhD or DPhil()	Computer and technical skill, problem solving, creativity, entrepreneurship	1971
ST - 406Project involving: Statistical techniques/Operations	ST - 406	MSc(Statistics)	Problem solving, analytical ability, programming, technical skills	1971
Project involving: Statistical techniques/Operations research/ Computer	ST - 305	MSc(Statistics)	Problem solving, analytical ability, programming, technical skills	1971
Measure and Probability Theory	ST – 101	MSc(Statistics)	Problem solving, analytical ability, programming, technical skills	1971
Planning and Analysis of Industrial Experiments	*ST – 404	MSc(Statistics)	Problem solving, analytical ability, programming, technical skills	1971
Stochastic Processes	ST – 202	MSc(Statistics)	Problem solving, analytical ability , technical skills	1971
Analysis:	*ST-405	MSc(Statistics)	Problem solving, analytical ability , technical skills	1971
Practical Paper based on the contents of Papers	SP – 206	MSc(Statistics)	Problem solving, analytical ability , technical skills	1971

Name of the Course	Course Code	Name of the Programme	Activities with direct bearing on Employability/ Entrepreneurship/ Skill	Year of introduction
: Practical paper based on the contents of Papers	SP – 106	MSc(Statistics)	Problem solving, analytical ability , technical skills	1971
Econometrics	ST – 402	MSc(Statistics)	Problem solving, analytical and numerical skills,	1971
Statistical Inference - I	ST – 203	MSc(Statistics)	Statistical analysis ability, programming, problem solving, analytical ability, technical	1971
Statistical methods	ST- 104	MSc(Statistics)	Statistical analysis ability, programming, problem solving, analytical ability, technical	1971
Statistical process and Quality Control	ST – 304	MSc(Statistics)	Statistical analysis ability, programming, problem solving, analytical ability, technical	1971
Statistical Inference II	ST – 301	MSc(Statistics)	Statistical analysis ability, programming, problem solving, analytical ability, technical	1971
Sample Surveys and Indian Official Statistics for	ST – 201	MSc(Statistics)	Statistical analysis ability, programming, problem solving, analytical ability, technical	1971
Linear Models and Regression Analysis	ST – 401	MSc(Statistics)	Problem solving, analytical ability, programming, technical skills	1971
Design and Analysis of Experiments	ST – 302	MSc(Statistics)	Problem solving, analytical ability, programming, technical skills	1971
Word Processing Through MS Word and Spreadsheets: MS Excel	ST – 204	MSc(Statistics)	Problem solving, analytical ability, programming, technical skills	1971
Distribution Theory	ST – 103	MSc(Statistics)	Problem solving, analytical ability, programming, technical skills	1971
Linear algebra	ST – 102	MSc(Statistics)	Problem solving, analytical ability, programming, technical skills	1971
Multivariate Analysis	ST – 205	MSc(Statistics)	Problem solving, analytical ability , technical skills	1971
Operations Research (ii)	ST – 403	MSc(Statistics)	Numerical ability, analytical ability, research ability	1971

Name of the Course	Course Code	Name of the Programme	Activities with direct bearing on Employability/ Entrepreneurship/ Skill	Year of introduction
Operations Research (i)	ST – 303	MSc(Statistics)	Numerical ability, analytical ability, research ability	1971
Statistical Computing	ST – 105	MSc(Statistics)	Computer and technical skill, problem solving, creativity, technical skill	1971
Laboratory Course-IV(Microprocessor)/Research Project Work	PHY-522	MSc(Physics)	Team work, leadership, personal skills, time management, work ethics	1971
Statistical Mechanics	PHY-502	MSc(Physics)	Statistical analysis ability, programming, problem solving, analytical ability, technical	1971
Mathematical Physics	PHY-503	MSc(Physics)	Problem solving, analytical ability, programming, technical skills	1971
Digital Electronics and Microprocessor	PHY-524	MSc(Physics)	Problem solving, analytical ability , technical skills	1971
Quantum Mechanics-II	PHY-523	MSc(Physics)	Problem solving, analytical ability , technical skills	1971
Classical Electrodynamics-II	PHY-521	MSc(Physics)	Problem solving, analytical ability , technical skills	1971
Laboratory Course-II (Optics)	PHY-510	MSc(Physics)	Problem solving, analytical ability , technical skills	1971
Laboratory Course-I (Electronics)	PHY-509	MSc(Physics)	Problem solving, analytical ability , technical skills	1971
Atomic and Molecular Physics	PHY-508	MSc(Physics)	Problem solving, analytical ability , technical skills	1971
Electronics	PHY-507	MSc(Physics)	Problem solving, analytical ability , technical skills	1971
Classical Electrodynamics-I	PHY-506	MSc(Physics)	Problem solving, analytical ability , technical skills	1971
Quantum Mechanics-I	PHY-505	MSc(Physics)	Problem solving, analytical ability , technical skills	1971

Name of the Course	Course Code	Name of the Programme	Activities with direct bearing on Employability/ Entrepreneurship/ Skill	Year of introduction
Solid State Physics-I	PHY-504	MSc(Physics)	Problem solving, analytical ability , technical skills	1971
Classical Mechanics	PHY-501	MSc(Physics)	Problem solving, analytical ability , technical skills	1971
Nuclear and Particle Physics	PHY-527	MSc(Physics)	Problem solving, analytical ability , technical skills	1971
COMPUTER APPLICATION	PLSC-2	PhD or DPhil()	Computer and technical skill, problem solving, creativity, entrepreneurship	1971
Computer Application	413	PhD or DPhil()	Computer and technical skill, problem solving, creativity, entrepreneurship	1976
Computer Application	103	MPhil()	Computer and technical skill, problem solving, creativity, entrepreneurship	1984
Project	CS-5805C	MCA()	Team work, leadership, personal skills, time management, work ethics	1986
Project	CS-5805B	MCA()	Team work, leadership, personal skills, time management, work ethics	1986
Communication Skills and Report Writing	IC-4916	MCA()	Team work, leadership, personal skills, time management	1986
Organization and Management Concepts	IC-4915	MCA()	Team work, leadership, personal skills, time management	1986
Database Management System	CS-4405	MCA()	Team work, leadership, personal skills, time management	1986
Artificial Intelligence	CS-5701	MCA()	Programming, problem solving, analytical ability, technical skills	1986
Compiler Design	CS-5512	MCA()	Programming, problem solving, analytical ability, technical skills	1986
Enterprise Resource Planning	CS-4409	MCA()	Programming, problem solving, analytical ability, technical skills	1986

Name of the Course	Course Code	Name of the Programme	Activities with direct bearing on Employability/ Entrepreneurship/ Skill	Year of introduction
Data Structures Using C	CS-4209	MCA()	Programming, problem solving, analytical ability, technical skills	1986
Programming and Problem Solving Using C	CS-4205	MCA()	Programming, problem solving, analytical ability, technical skills	1986
Discrete Structures	CS-4116	MCA()	Programming, problem solving, analytical ability, technical skills	1986
Object Oriented Analysis and Design	CS-5309	MCA()	Programming, problem solving, analytical ability, technical skills	1986
Design and Analysis of Algorithms	CS-5216	MCA()	Problem solving, analytical ability, programming, technical skills	1986
Software Engineering	CS-4305	MCA()	Problem solving, analytical ability, programming, technical skills	1986
Accounting and Financial Systems	IC-4917	MCA()	Problem solving, analytical ability , technical skills	1986
Operating Systems	CS-5511	MCA()	Computer and technical skill, problem solving, creativity, technical skill	1986
Computer Networks	CS-5613	MCA()	Computer and technical skill, problem solving, creativity, entrepreneurship	1986
Computer Organization and Assembly Language Programming	CS-4022	MCA()	Computer and technical skill, problem solving, creativity, entrepreneurship	1986
Computer Architecture	CS-4008	MCA()	Computer and technical skill, problem solving, creativity, entrepreneurship	1986
Editing	BAM 302	BA (Journalism)()	Media Production techniques, Technical and creative skhills	1986
INTRODUCTION TO MASS COMMUNICATION	BAM101	BA (Journalism)()	Communication skill, team work, personal skill, work ethics	1986
Prayojan Moolak Hindi	BAM206	BA (Journalism)()	Communication skill, creativity, personal skill, aesthetics	1986

Name of the Course	Course Code	Name of the Programme	Activities with direct bearing on Employability/ Entrepreneurship/ Skill	Year of introduction
English	BAM105	BA (Journalism)()	Communication skill, creativity, personal skill, aesthetics	1986
Hindi	BAM 106	BA (Journalism)()	Communication skill, creativity, personal skill, aesthetics	1986
Public Relations	BAM404	BA (Journalism)()	communication skills, personal skills, work ethics	1986
Advertising	BAM403	BA (Journalism)()	Media Production techniques, Technical and creative skhills	1986
Editorial and Feature Writing	BAM406	BA (Journalism)()	Writing skills, personal development, time management, observation and analytical	1986
Photo Journalism	BAM304	BA (Journalism)()	Writing skills, personal development, time management, observation and analytical	1986
Reporting	BAM301	BA (Journalism)()	Media Production techniques, Technical and creative skhills	1986
IT Project Management	CS-5308	MSc(Computer Science)	Team work, leadership, personal skills, time management	1987
Project	CS-5805B	MSc(Computer Science)	Team work, leadership, personal skills, time management, work ethics	1987
Communication Skills and Report Writing	IC-4916	MSc(Computer Science)	Team work, leadership, personal skills, time management	1987
Organization and Management Concepts	IC-4915	MSc(Computer Science)	Team work, leadership, personal skills, time management	1987
Database Management System	CS-4405	MSc(Computer Science)	Team work, leadership, personal skills, time management	1987
Data Structures Using C	CS-4209	MSc(Computer Science)	Programming, problem solving, analytical ability, technical skills	1987
Programming and Problem Solving Using C	CS-4205	MSc(Computer Science)	Programming, problem solving, analytical ability, technical skills	1987

Name of the Course	Course Code	Name of the Programme	Activities with direct bearing on Employability/ Entrepreneurship/ Skill	Year of introduction
Discrete Structures	CS-4116	MSc(Computer Science)	Programming, problem solving, analytical ability, technical skills	1987
Design and Analysis of Algorithms	CS-5216	MSc(Computer Science)	Problem solving, analytical ability, programming, technical skills	1987
Software Engineering	CS-4305	MSc(Computer Science)	Problem solving, analytical ability, programming, technical skills	1987
Operating Systems	CS-5511	MSc(Computer Science)	Computer and technical skill, problem solving, creativity, technical skill	1987
Computer Networks	CS-5613	MSc(Computer Science)	Computer and technical skill, problem solving, creativity, entrepreneurship	1987
Computer Graphics and Multimedia	CS-4508	MSc(Computer Science)	Computer and technical skill, problem solving, creativity, entrepreneurship	1987
Computer Organization and Assembly Language Programming	CS-4022	MSc(Computer Science)	Computer and technical skill, problem solving, creativity, entrepreneurship	1987
Computer Architecture	CS-4008	MSc(Computer Science)	Computer and technical skill, problem solving, creativity, entrepreneurship	1987
Mechanics	M411	MSc(Mathematics)	Problem solving, analytical ability , technical skills	1989
Topics in Ring Theory	M404	MSc(Mathematics)	Problem solving, analytical ability , technical skills	1989
Homotopy Theory	M403	MSc(Mathematics)	Problem solving, analytical ability , technical skills	1989
Theory of Linear operators II	M401	MSc(Mathematics)	Problem solving, analytical ability , technical skills	1989
Partial Differential Equations	M313	MSc(Mathematics)	Problem solving, analytical ability , technical skills	1989
Functional Analysis	M312	MSc(Mathematics)	Problem solving, analytical ability , technical skills	1989

Name of the Course	Course Code	Name of the Programme	Activities with direct bearing on Employability/ Entrepreneurship/ Skill	Year of introduction
Integration Theory	M311	MSc(Mathematics)	Problem solving, analytical ability , technical skills	1989
Theory of Linear operators I	M301	MSc(Mathematics)	Problem solving, analytical ability , technical skills	1989
Complex Analysis II	M214	MSc(Mathematics)	Problem solving, analytical ability , technical skills	1989
Topology II	M213	MSc(Mathematics)	Problem solving, analytical ability , technical skills	1989
Real Analysis II	M212	MSc(Mathematics)	Problem solving, analytical ability , technical skills	1989
Advanced Abstract Algebra	M211	MSc(Mathematics)	Problem solving, analytical ability , technical skills	1989
Differential Equations II	M201	MSc(Mathematics)	Problem solving, analytical ability , technical skills	1989
Complex Analysis I	M114	MSc(Mathematics)	Problem solving, analytical ability , technical skills	1989
Topology I	M113	MSc(Mathematics)	Problem solving, analytical ability , technical skills	1989
Real Analysis I	M112	MSc(Mathematics)	Problem solving, analytical ability , technical skills	1989
Field Theory	M111	MSc(Mathematics)	Problem solving, analytical ability , technical skills	1989
Differential Equations I	M101	MSc(Mathematics)	Problem solving, analytical ability , technical skills	1989
Linear Programming II	M402	MSc(Mathematics)	Problem solving, analytical ability , technical skills	1989
Linear Programming I	M302	MSc(Mathematics)	Problem solving, analytical ability , technical skills	1989

Name of the Course	Course Code	Name of the Programme	Activities with direct bearing on Employability/ Entrepreneurship/ Skill	Year of introduction
Computer Applications	Ph.D.-MS-103	PhD or DPhil(Military Science)	Computer and technical skill, problem solving, creativity, entrepreneurship	1989
Computer Applications	Ph.D.-SOC-103	PhD or DPhil(Sociology)	Computer and technical skill, problem solving, creativity, entrepreneurship	1989
Computer Applications	Ph.D.-SW-103	PhD or DPhil(Social Work)	Computer and technical skill, problem solving, creativity, entrepreneurship	1989
Computer Applications	Ph.D.-PSY-103	PhD or DPhil(Psychology)	Computer and technical skill, problem solving, creativity, entrepreneurship	1989
Computer Applications	Ph.D.-PS-103	PhD or DPhil(Political science)	Computer and technical skill, problem solving, creativity, entrepreneurship	1989
Computer Applications	Ph.D.-HS-103	PhD or DPhil(Home science)	Computer and technical skill, problem solving, creativity, entrepreneurship	1989
Computer Applications	Ph.D.-His-103	PhD or DPhil(History)	Computer and technical skill, problem solving, creativity, entrepreneurship	1989
Computer Applications	Ph.D.-GEO-103	PhD or DPhil(Geography)	Computer and technical skill, problem solving, creativity, entrepreneurship	1989
Computer Applications	M.Phil-SOC-103	MPhil(Sociology)	Computer and technical skill, problem solving, creativity, entrepreneurship	1989
Computer Applications	M.Phil-SW-103	MPhil(Social Work)	Computer and technical skill, problem solving, creativity, entrepreneurship	1989
Computer Applications	M.Phil-PS-103	MPhil(Political science)	Computer and technical skill, problem solving, creativity, entrepreneurship	1989
Computer Applications	M.Phil-HS-103	MPhil(Home science)	Computer and technical skill, problem solving, creativity, entrepreneurship	1989
Computer Applications	M.Phil-His-103	MPhil(History)	Computer and technical skill, problem solving, creativity, entrepreneurship	1989
Computer Applications	M.Phil-GEO-103	MPhil(Geography)	Computer and technical skill, problem solving, creativity, entrepreneurship	1989

Name of the Course	Course Code	Name of the Programme	Activities with direct bearing on Employability/ Entrepreneurship/ Skill	Year of introduction
Advanced Course in the relevant subject (Electronics: Internet of Things)	EL91104	PhD or DPhil()	Problem solving, analytical ability , technical skills	1989
Computer Applications	EL91103	PhD or DPhil()	Computer and technical skill, problem solving, creativity, entrepreneurship	1989
Computer Applications	Ph.D-702	Mtech(Energy Management)	Computer and technical skill, problem solving, creativity, entrepreneurship	1990
Major Project	EN-808	Mtech(Energy Management)	Team work, leadership, personal skills, time management, work ethics	1990
Mini Project	EN-807	Mtech(Energy Management)	Team work, leadership, personal skills, time management, work ethics	1990
Bio and Solid Waste Management	EN-710	Mtech(Energy Management)	Team work, leadership, personal skills, time management	1990
Seminar	EN-806	Mtech(Energy Management)	Problem solving, analytical ability , technical skills	1990
Energy Management (Electrical Systems)	EN-707	Mtech(Energy Management)	Team work, leadership, personal skills, time management	1990
Energy Management (Thermal)	EN-706	Mtech(Energy Management)	Team work, leadership, personal skills, time management	1990
Energy Modeling and Project Management	EN-712	Mtech(Energy Management)	Team work, leadership, personal skills, time management	1990
Solar Thermal and Photo - Voltaic Laboratory	EN-803	Mtech(Energy Management)	Problem solving, analytical ability, work ethics, time management	1990
Heat Transfer and Energy Conservation Laboratory	EN-801	Mtech(Energy Management)	Problem solving, analytical ability, work ethics, time management	1990
Efficient Lighting: Sources, Systems and Design Aspects	EN-708	Mtech(Energy Management)	Problem solving, analytical ability, work ethics, time management	1990
Water and Waste Water: Pollution & Control Technologies	EN-704	Mtech(Energy Management)	Problem solving, analytical ability, work ethics, time management	1990

Name of the Course	Course Code	Name of the Programme	Activities with direct bearing on Employability/ Entrepreneurship/ Skill	Year of introduction
Solar Energy Fundamentals Devices and Systems	EN-701	Mtech(Energy Management)	Problem solving, analytical ability, work ethics, time management	1990
Electrical Power Generation, Instrumentation, Measurements,	EN-713	Mtech(Energy Management)	Operation to advanced instruments, technical skills, creativity, programming	1990
Computer Applications	CS-CA	PhD or DPhil()	Computer and technical skill, problem solving, creativity, entrepreneurship	1990
Computer Applications: Energy Software	PHD-703	PhD or DPhil()	Computer and technical skill, problem solving, creativity, entrepreneurship	1991
SEMINAR	IM-612	MBA(Management Science five years)	Problem solving, analytical ability , technical skills	1992
Seminar IV	IM-419	MBA(Management Science five years)	Problem solving, analytical ability , technical skills	1992
Seminar III	IM-317	MBA(Management Science five years)	Problem solving, analytical ability , technical skills	1992
Seminar II	IM-218	MBA(Management Science five years)	Problem solving, analytical ability , technical skills	1992
Seminar 1	IM-110	MBA(Management Science five years)	Problem solving, analytical ability , technical skills	1992
Fundamentals of Computer	IM-104A	MBA(Management Science five years)	Problem solving, analytical ability , technical skills	1992
LABOR LAW	IM-305A	MBA(Management Science five years)	Fitness, personality development, health awareness	1992
Industrial Relation and Labour Laws	IM - 817HA	MBA(Management Science five years)	Team work, leadership, personal skills, time management, work ethics	1992
LANGUAGE PROFICIENCY-III (FRENCH)	IM-608A	MBA(Management Science five years)	Communication skill, creativity, personal skill, aesthetics	1992
Language Proficiency-III (French)	IM-410B	MBA(Management Science five years)	Communication skill, creativity, personal skill, aesthetics	1992

Name of the Course	Course Code	Name of the Programme	Activities with direct bearing on Employability/ Entrepreneurship/ Skill	Year of introduction
FRENCH	IM-310A	MBA(Management Science five years)	Communication skill, creativity, personal skill, aesthetics	1992
Language Proficiency-II (English)	IM-209B	MBA(Management Science five years)	Communication skill, creativity, personal skill, aesthetics	1992
HINDI	IM-209A	MBA(Management Science five years)	Communication skill, creativity, personal skill, aesthetics	1992
Language Proficiency I- Hindi	IM-106C	MBA(Management Science five years)	Communication skill, creativity, personal skill, aesthetics	1992
Quality Management	IM-801B	MBA(Management Science five years)	Team work, leadership, personal skills, time management	1992
Production and Operation Management	IM-614	MBA(Management Science five years)	Team work, leadership, personal skills, time management	1992
Purchase and Materials Management	IM-420	MBA(Management Science five years)	Team work, leadership, personal skills, time management	1992
Human Resource Management	IM-417	MBA(Management Science five years)	Team work, leadership, personal skills, time management	1992
Management Accounting	IM-302	MBA(Management Science five years)	Team work, leadership, personal skills, time management	1992
Marketing Management	IM-301C	MBA(Management Science five years)	Team work, leadership, personal skills, time management	1992
Business Communication	IM-219	MBA(Management Science five years)	Team work, leadership, personal skills, time management	1992
Strategic Human Resource Management	IM -714HB	MBA(Management Science five years)	Team work, leadership, personal skills, time management	1992
Financial Engineering and Risk Management	IM - 718FB	MBA(Management Science five years)	Team work, leadership, personal skills, time management	1992
Compensation and Reward Management	IM - 716HB	MBA(Management Science five years)	Team work, leadership, personal skills, time management	1992

Name of the Course	Course Code	Name of the Programme	Activities with direct bearing on Employability/ Entrepreneurship/ Skill	Year of introduction
Security Analysis and Portfolio Management	IM - 714FA	MBA(Management Science five years)	Team work, leadership, personal skills, time management	1992
Integrated Marketing Communication	IM - 712MA	MBA(Management Science five years)	Team work, leadership, personal skills, time management	1992
Sales and Distribution Management	IM - 707MA	MBA(Management Science five years)	Team work, leadership, personal skills, time management	1992
Rural and Retail Management	IM - 706MB	MBA(Management Science five years)	Team work, leadership, personal skills, time management	1992
Project Management	IM-515	MBA(Management Science five years)	Team work, leadership, personal skills, time management	1992
Principles and Practices of Management	IM-101	MBA(Management Science five years)	Team work, leadership, personal skills, time management	1992
Business Mathematics I	IM-103	MBA(Management Science five years)	Problem solving, analytical ability, programming, technical skills	1992
Financial Market and Financial Services	IM - 715FA	MBA(Management Science five years)	Problem solving, analytical ability , technical skills,	1992
Cost Accounting	IM-203	MBA(Management Science five years)	Problem solving, analytical ability , technical skills	1992
Financial Accounting	IM-102	MBA(Management Science five years)	Problem solving, analytical ability , technical skills	1992
Research Methodology	IM - 703B	MBA(Management Science five years)	Numerical ability, analytical ability, research ability	1992
Business Law	IM-214	MBA(Management Science five years)	Fitness, personality development, health awareness	1992
Forecasting Techniques	IM-603A	MBA(Management Science five years)	Communication skill, team work, personal skill, work ethics	1992
Econometrics	IM-511	MBA(Management Science five years)	Communication skill, team work, personal skill, work ethics	1992

Name of the Course	Course Code	Name of the Programme	Activities with direct bearing on Employability/ Entrepreneurship/ Skill	Year of introduction
Marketing Strategies	IM-506	MBA(Management Science five years)	Communication skill, team work, personal skill, work ethics	1992
Programming Using C	IM-210B	MBA(Management Science five years)	Programming, problem solving, analytical ability, technical skills	1992
Human Resource Planning and Audit	IM -715HB	MBA(Management Science five years)	Communication skill, team work, personal skill, work ethics	1992
Insurance and Banking	IM - 716FA	MBA(Management Science five years)	Communication skill, team work, personal skill, work ethics	1992
Managing People	IM - 712HA	MBA(Management Science five years)	Communication skill, team work, personal skill, work ethics	1992
Consumer Behavior	IM - 711MA	MBA(Management Science five years)	Communication skill, team work, personal skill, work ethics	1992
Human Resource Development	IM - 709HA	MBA(Management Science five years)	Communication skill, team work, personal skill, work ethics	1992
Language Proficiency-II (French)	IM-310B	MBA(Management Science five years)	Communication skill, creativity, personal skill, aesthetics	1992
MATHEMATICS - II	IC-201	MCA(Six Years)	Problem solving, analytical ability, programming, technical skills	1992
Foreign Exchange Management	TA-404	MBA(Tourism)	Team work, leadership, personal skills, time management	1992
Hotel Operation And Management	TA-307	MBA(Tourism)	Team work, leadership, personal skills, time management	1992
COMPUTER APPLICATIONS	ISC 903	PhD or DPhil()	Computer and technical skill, problem solving, creativity, entrepreneurship	1992
Mathematical Foundation of Computer Science	CS-4121	MBA(Computer Management)	Computer and technical skill, problem solving, creativity, entrepreneurship	1992
Communication Skills and Report Writing	IC-4916	MBA(Computer Management)	Team work, leadership, personal skills, time management	1992

Name of the Course	Course Code	Name of the Programme	Activities with direct bearing on Employability/ Entrepreneurship/ Skill	Year of introduction
Organization and Management Concepts	IC-4915	MBA(Computer Management)	Team work, leadership, personal skills, time management	1992
Database Management System	CS-4405	MBA(Computer Management)	Team work, leadership, personal skills, time management	1992
Data Structures Using C	CS-4209	MBA(Computer Management)	Programming, problem solving, analytical ability, technical skills	1992
Programming and Problem Solving Using C	CS-4205	MBA(Computer Management)	Programming, problem solving, analytical ability, technical skills	1992
Software Engineering	CS-4305	MBA(Computer Management)	Problem solving, analytical ability, programming, technical skills	1992
Operating Systems	CS-5511	MBA(Computer Management)	Computer and technical skill, problem solving, creativity, technical skill	1992
Computer Networks	CS-5613	MBA(Computer Management)	Computer and technical skill, problem solving, creativity, entrepreneurship	1992
Computer Organization and Assembly Language Programming	CS-4022	MBA(Computer Management)	Computer and technical skill, problem solving, creativity, entrepreneurship	1992
Computer Architecture	CS-4008	MBA(Computer Management)	Computer and technical skill, problem solving, creativity, entrepreneurship	1992
Compensation and Reward Management	FT313HB	MBA()	Team work, leadership, personal skills, time management	1993
Data Visualisation	FT117	MBA()	Communication skill, team work, personal skill, work ethics	1993
MAJOR RESEARCH PROJECT	FT-409B	MBA()	Team work, leadership, personal skills, time management, work ethics	1993
MAJOR RESEARCH PROJECT	FT-409A	MBA()	Team work, leadership, personal skills, time management, work ethics	1993
MAJOR RESEARCH PROJECT	FT-314A	MBA()	Team work, leadership, personal skills, time management, work ethics	1993

Name of the Course	Course Code	Name of the Programme	Activities with direct bearing on Employability/ Entrepreneurship/ Skill	Year of introduction
Logistic and Supply chain management	FT-417MB	MBA()	Team work, leadership, personal skills, time management	1993
PERSONAL FINANCAL MANAGEMENT(MINOR)	FT-411FM	MBA()	Team work, leadership, personal skills, time management	1993
PRODUCT and BRAND MANAGEMENT	FT-405M	MBA()	Team work, leadership, personal skills, time management	1993
IMPORT-EXPORT MANAGEMENT (ELECTIVE)	FT-404FM	MBA()	Team work, leadership, personal skills, time management	1993
STRATEGIC MANAGEMENT	FT-401	MBA()	Team work, leadership, personal skills, time management	1993
PRODUCT AND BRAND MANAGEMENT	FT-311M	MBA()	Team work, leadership, personal skills, time management	1993
SALES and DISTRIBUTION MANAGEMENT	FT-306M	MBA()	Team work, leadership, personal skills, time management	1993
INTEGRATED MARKETING COMMUNICATION	FT-304MA	MBA()	Team work, leadership, personal skills, time management	1993
STRATEGIC MANAGEMENT	FT-301D	MBA()	Team work, leadership, personal skills, time management	1993
PRODUCTION AND OPERATION MANAGEMENT	FT-207A	MBA()	Team work, leadership, personal skills, time management	1993
FINANCIAL MANAGEMENT	FT-205	MBA()	Team work, leadership, personal skills, time management	1993
PRINCIPLES OF MARKETING MANAGEMENT	FT-201	MBA()	Team work, leadership, personal skills, time management	1993
HUMAN RESOURCE MANAGEMENT	FT-105	MBA()	Team work, leadership, personal skills, time management	1993
PROJECT MANAGEMENT	FT-401A	MBA()	Team work, leadership, personal skills, time management	1993

Name of the Course	Course Code	Name of the Programme	Activities with direct bearing on Employability/ Entrepreneurship/ Skill	Year of introduction

Macro economics (core)	212C	MA(Economics)	Analytical skills, team work, personal skill, work ethics, communication skills	2015
Public Economics (core)	213C	MA(Economics)	Communication skill, team work, personal skill, work ethics	2015
Statics for Econmics (core)	215C	MA(Economics)	Communication skill, team work, personal skill, work ethics	2015
Theory of Market Distributrion (core)	221C	MA(Economics)	Communication skill, team work, personal skill, work ethics	2015
Theories of Money and Banking	222C	MA(Economics)	Problem solving, analytical and, numerical skills	2015
Agriculture and Rural Development (core)	225C	MA(Economics)	Team work, leadership, personal skills, time management	2015
International economics (core)	231C	MA(Economics)	Problem solving, analytical ability , technical skills	2015
Economics of development and Growth (core)	232C	MA(Economics)	Problem solving, analytical and numerical skills,	2015
Welfare Economics (core)	233C	MA(Economics)	Problem solving, analytical ability, numerical skills	2015
Indian Economic Policy (Core)	242C	MA(Economics)	Team work, leadership, personal skills, time management, work ethics	2015
Economics of Social Sector and Gender (Elective Discipline)	243D	MA(Economics)	Problem solving, analytical and numerical skills,	2015
Econometrics-II (Elective Discipline)	245DA	MA(Economics)	Problem solving, analytical and numerical skills,	2015
French/German (Soft skills)	226SF/SG	MA(Economics)	Communication skill, creativity, personal skill, aesthetics	2015

Name of the Course	Course Code	Name of the Programme	Activities with direct bearing on Employability/ Entrepreneurship/ Skill	Year of introduction
Mathematical Economics (Elective Discipline)	235DA	MA(Economics)	Problem solving, analytical ability, programming, technical skills	2015
Computer Application (Ability Enhancement)	227A	MA(Economics)	Computer and technical skill, problem solving, creativity, entrepreneurship	2015
Financial Markets (Elective Generic)	237G	MA(Economics)	Problem solving, analytical ability , technical skills,	2015
Communication and Personality Development	213A	MA(Economics)	Team work, leadership, personal skills, time management	2015
Fundamentals of Management	224B	MA(Economics)	Team work, leadership, personal skills, time management	2015
Dissertation viva	246P	MA(Economics)	Team work, leadership, personal skills, time management, work ethics	2015
Term Paper or summer internship	238P	MA(Economics)	Team work, leadership, personal skills, time management, work ethics	2015
Development Communication and Current Affairs	NJ09	BJ()	Communication skill, team work, personal skill, work ethics	2015
Advertiasing and Public Relations	BJ02	BJ()	Communication skill, team work, personal skill, work ethics	2015
Advertising and Public Relations	BJ10	BJ()	Communication skill, team work, personal skill, work ethics	2015

Editorial Writing & Ethics and Laws of the Press	BJ08	BJ()	Fitness, personality development, health awareness	2015
Reporting and feature writing	BJ03	BJ()	Writing skills, personal development, time management, observation and analytical	2015
Editing and photo journalism	BJ05	BJ()	Writing skills, personal development, time management, observation and analytical	2015

Name of the Course	Course Code	Name of the Programme	Activities with direct bearing on Employability/ Entrepreneurship/ Skill	Year of introduction
Mass Communicvation and Broadcast JOURNALISM	BJ01	BJ()	Writing skills, personal development, time management, observation and analytical	2015
History of press, translation/ Film journalism	BJ04	BJ()	Writing skills, personal development, time management, observation and analytical	2015
Mass Communicvation and Broadcast Journalism	BJ06	BJ()	Writing skills, personal development, time management, observation and analytical	2015
Financial Research	IM - 921FB	MBA(Management Science five years)	Numerical ability, analytical ability, research ability	2015
International Human Resource Management	IM - 815HB	MBA(Management Science five years)	Team work, leadership, personal skills, time management	2015
Advanced Industrial Psychology	IM - 920HB	MBA(Management Science five years)	Work ethics, personality development,	2015
Quantitative and Statistical Tech.	TA-103C	MBA(Tourism)	Statistical analysis ability, programming, problem solving, analytical ability, technical	2015
Industrial Marketing	IM - 817MB	MBA(Management Science five years)	Communication skill, team work, personal skill, work ethics	2015
Business Ethics and Corporate Governance	IM - 903C	MBA(Management Science five years)	Communication skill, team work, personal skill, work ethics	2015
HR Skills	IM - 919HB	MBA(Management Science five years)	Communication skill, team work, personal skill, work ethics	2015
Corporate Restructuring	IM - 920FB	MBA(Management Science five years)	Communication skill, team work, personal skill, work ethics	2015
Latest Trends in HRM	IM - 920HA	MBA(Management Science five years)	Communication skill, team work, personal skill, work ethics	2015
SOFT SKILLS FOR MANAGERS	FT-114	MBA()	Communication skill, team work, personal skill, work ethics	2015
Corporate Financial Analysis	FT309FB	MBA()	Problem solving, analytical ability , technical skills,	2015

Name of the Course	Course Code	Name of the Programme	Activities with direct bearing on Employability/ Entrepreneurship/ Skill	Year of introduction
BUSINESS MATHEMATICS and STATISTICS	FT-113	MBA()	Problem solving, analytical ability, programming, technical skills	2015
Introduction to Enterprise Resource Planning	CS-4409A	MBA(Computer Management)	Programming, problem solving, analytical ability, technical skills	2015
Digital Marketing	IM -705 MB	MBA(Management Science five years)	Personal skills, time management, work ethics, business skills and ethics,	2015
Corporate Financial Analysis	IM - 715FB	MBA(Management Science five years)	Problem solving, analytical ability , technical skills,	2015
Global Marketing	IM -707MB	MBA(Management Science five years)	Personal skills, time management, work ethics, business skills and ethics,	2015
E-Business Fundamentals	IM-601C	MBA(Management Science five years)	Personal skills, time management, work ethics, business skills and ethics,	2015
Multinational Financial Mangement	IM - 919FA	MBA(Management Science five years)	Problem solving, analytical ability , technical skills,	2015
Computer Networks	EL52103	MSc(Electronics and communication)	Computer and technical skill, problem solving, creativity, entrepreneurship	2015
Signals and Systems-I	EL51101	MSc(Electronics and communication)	Exposure to advanced devices, technical skills, creativity, programming	2015
Signals and Systems-II	EL52104	MSc(Electronics and communication)	Exposure to advanced devices, technical skills, creativity, programming	2015
Seminar	EL51301	MSc(Electronics and communication)	Problem solving, analytical ability , technical skills	2015
Basic Design	401/413	Diploma in Interior Designing	Teachnical and creative skills, designing techniques techniques	2015
Basic Graphics	403/415	Diploma in Interior Designing	Teachnical and creative skills, designing techniques techniques	2015
Services	405/417	Diploma in Interior Designing	Teachnical and creative skills, designing techniques techniques	2015

Name of the Course	Course Code	Name of the Programme	Activities with direct bearing on Employability/ Entrepreneurship/ Skill	Year of introduction
Construction	407/419	Diploma in Interior Designing	Teachnical and creative skills, designing techniques techniques	2015
Building Materials	409	Diploma in Interior Designing	Teachnical and creative skills, designing techniques techniques	2015
Workshop	411	Diploma in Interior Designing	Team work, leadership, personal skills, time management, work ethics	2015
Quality Assurance	FT- 403	Diploma in Interior Designing	Teachnical and creative skills, designing techniques techniques	2015
Decision Making Skills	APR-312	MBA(Advertising and Public Relations)	Communication skill, team work, personal skill, work ethics	2015
Sports Technology	MPEd 204	MPES()	Fitness, personality development, health awareness	2015
Scientific Principles of Sports Training	MPEd 301	MPES()	Fitness, personality development, health awareness	2015
Sports Medicine	MPEd 302	MPES()	Fitness, personality development, health awareness	2015
