## Vice-Chancellor's Message

**Dear Aspirant,**

I personally welcome you at the Devi Ahilya Vishwavidyalaya (DAVV), Indore which has been accredited with “A” grade by NAAC, an Autonomous Institution of the Government of India under University Grants Commission. Our University is well known Nationally as well as Internationally for its quality teaching. This University was established in 1964 by the State Government of Madhya Pradesh. For more than half century, the University is providing an avenue for unleashing your potential to realize your dreams. This university has emerged as a premier institution of higher learning in Central India by creating, advancing and disseminating knowledge. It is well known for its diversified course structure, multidisciplinary research and value based education, thereby, contributing towards educational, economic and social development of humanity at large. We provide excellent learning environment for pursuing various professional & vocational courses in the university. This University has formulated its own Research & Ethics Policy, I T Policy, Green Policy, and many more policies in order to serve the society in a better way. In 2018, first revision in its Research Policy has been carried out to provide better research atmosphere to its students, researchers, faculty members, all other stake holders.

Academic excellence is the highest priority in this University. Our Alumni are well placed Nationally and Internationally. Many Alumni are working on many important positions in the country & abroad. The University Teaching Departments offer undergraduate, post-graduate and research programs in sixteen faculties. It is amongst the first few Universities in the country to introduce innovative and integrated courses in the areas of science, engineering, technology, management, law, commerce and media. Seven departments of the University have been granted Special Assistance Program (SAP) of UGC due to their high quality research output. We take pride and value our highly respected, experienced, qualified, expert and committed faculty members, engaged in world class teaching - learning and research.

The University adopts latest techniques, innovative pedagogy and teaching methods to create an effective and conducive learning environment. Student centric methods are an integral part of the blended pedagogy adopted by the faculty that includes experiential learning, participative learning, and problem solving methodologies. With committed faculty resources, ICT enabled learning resources, rich central library, excellent teaching and state of the art research infrastructure and required support facilities, the University prepares young minds to take up challenges of the future.

Holistic development of its students is at the core of this University. The university provides world class facilities and support for literary, creative, artistic, cultural, sports and other extracurricular activities. We have hosted many national and international events such as National Youth Festival and South Asian Universities Youth Festival. The university is also well equipped with support facilities for career guidance, counseling, development, training and placement of students. Our alumni are occupying top positions globally in all the areas of performance including Corporate, Civil Administration, Politics, Governance, Science and Technology.

I look forward to welcome future professionals and entrepreneurs at Devi Ahilya Vishwavidyalaya to transform their lives for rich learning experience, rewarding career and serving to the humanity.

**Prof. N. K. Dhakad**
