## About Indore

Indore is the largest city in the state of Madhya Pradesh. It is situated on the banks of the River Khan and Sarawati. Indore is known for its architectural splendor. The tales of the glorious past are narrated by these splendid historical monuments and cast a magical spell on the visitors. Rani Ahilya Bai Holkar was a great architectural patron and spent a lot of money on the construction of many temples across the nation.

Apart from being a historical city, Indore is also the commercial capital of the state of Madhya Pradesh. Indore is a host to many industries, like automobile, textile, IT etc. With the latest technological advancements, the city is about to become the IT hub of the state of MP. Other than this, there are a number of educational institutes in Indore which are amongst the best in the country. The first and foremost are IIT & IIM Indore, which are amongst the pioneer institutes in India.

## International Conference on Computer Communication and Control (IC4-2015)

Organized By

Medi-Caps Group of Institutions

Sponsored By

## About Conference

This is an International conference aims to provide a platform for the researchers, academicians and intellectuals to promote technical advancements and research possibilities of the time. The conference theme spans over different domains like Computer, Communication and Control. This initiative will help to boost the research by getting an opportunity for the researchers to discuss and reinvent the possibilities and scopes in their research area. This International Conference is technically sponsored by IEEE, CSI, ISTE, MPCST and DST. The selected papers will be sent to the IEEE Xplore for publication.

## About Medi-Caps Group of Institutions (MGI)

Medi-Caps Group of Institutions is a renowned name in the arena of technical education and contributing in making Indore an educational hub. Since its inception in July 2000, the group consistently aims at creating an ideal ambience for budding technocrats and helping them grow like professionals. The main strength of Medi-Caps Group of Institutions is its highly qualified faculty. We facilitate learning & career opportunities to the future technocrats. The experienced faculties and the enthusiastic students are the reasons for the vibrant campus of MGI.

## Submission Tracks

Original papers are invited on the following Tracks

### 1 Computer Science

Artificial Intelligence, Computer Graphics, Simulation and Modeling, Cloud Computing, Database & Data Mining, Software Engineering, Big Data, Programming Language, Natural Language Processing, Parallel and Distributed Algorithms, Mobile Computing, ADHOC Networks, Network Security.

### 2 Information Technology

Multimedia, Web Based Learning, Innovation and Challenges, Information-Convergence Security, Open Source Challenges & Opportunities, Information Ecology & Knowledge Management, E-Governance, E-Commerce, ICT & Web-Based Learning, Computational Economics, Bio-Informatics.

### 3 Electronics & Communication

VLSI, Microelectronics, Antenna, Remote Sensing, GPS, Microwave Devices & Circuits, Radar, Embedded Systems, Wireless Communication, Image and Video signal processing, Optical Communication, Cognitive Radio, System on Chip, MEMS.

### 4 Electrical

Energy Efficient Drives, Power Condition Monitoring, Transmission Systems, Power Generation, Power Electronics, Power System Security, Reliability Evaluation, Restructured Power System.

### 5 Instrumentation

Measurement, Measurement techniques, Data Acquisition Systems, Sensor and Sensor Networks, Nanotechnology, Mechatronics, Virtual Instrumentation, Signal Processing, Linear and Non linear systems, Optimal Control & Process control, Distributed control.

### Submission Process

The papers should be submitted in IEEE format through the Easy chair ([www.easychair.org/account/signin.cgi](http://www.easychair.org/account/signin.cgi)) or should be mailed at: [ieeekonferenceatmedicaps@gmail.com](mailto:ieeekonferenceatmedicaps@gmail.com)

The submission of paper restricted to 6 pages.

The Institute of Information Technology, Indore is organizing a workshop on 'Soft Computing' at IIT Indore in Central India under the Soft Computing Research Society (SCRS) / Artificial Intelligence (AI) / Nature Inspired Optimization Algorithms. Nature Inspired Optimization Algorithms are the today's need in almost all areas touching various real life applications. This workshop focused on the latest developments in nature-inspired algorithms with illustration on challenging applications. It also provides a theoretical basis as well as practical implementation hints which helps to assist in opening the new dimension in the area. This will be a get together to exchange the innovative ideas and giving new pathways.
