Professor Kumar Suresh

Head

Department of Educational Administration

02/EAD/SD/Prg./VS/2018

Date: October 12th, 2018

Dear Dr. Dhakad,

I am glad to inform you that NIEPA will organize an Orientation Programme on “**Management of Skill Development at Higher Education**” from **December 3-7, 2018**. You would agree that the traditional higher education system is rigid in terms of duration of courses, teaching-learning process and choice of subjects. This does not augur well for increasing either the employability of the youth or their mobility for better employment opportunity. With a view to integrate skills into higher education for making it relevant for the learners, the Government of India decided to set up Community Colleges and introduce B.Voc & DDU Kaushal Kendras. These programs would offer opportunity for lifelong learning and bridge courses for certification as well as movement from one stream to another. This would enable the graduates to participate meaningfully in accelerating India's economy by gaining appropriate employment, becoming entrepreneurs and creating appropriate knowledge.

With the current developments in the area of skills education, it becomes imperative that the educational functionaries at higher education in different states be oriented about the implementation of the skill development programmes. It is within this context, that a five day orientation programme on “Management of Skill Development at Higher Education” is to be organized for the educational functionaries incharge of B.Voc. and DDU Kaushal Kendras at higher education level in different states. The major objectives of the programme would be to sensitize the participants about the policies and current developments in skill development, the implementation of the programmes of skill development at higher education and to develop an understanding of the issues related to management of skill development programmes.

I request you to kindly nominate Nodal Officer from your institution who is dealing with B.Voc./DDU Kaushal Kendras, to participate in the programme. I would greatly appreciate if you can send the nominations by **10th November, 2018**.

NIEPA will pay TA/DA to the nominated participants, as per rules of the University. If the participant is entitled for air travel and proposes to fly, it is advised that he /she may kindly use Air India flights only. Air fare by private airlines is not permissible.

Kindly send the names of the nominated persons along with their complete address and phone number to the programme coordinator, Dr.(Mrs.)Vineeta Sirohi, Associate Professor, Dept. of Educational Administration, email:vineetasirohi@niepa.ac.in Mobile number : 09311233644.

With regards

Yours sincerely

(Kumar Suresh)

Dr. Narendra Kumar Dhakad
Vice-Chancellor
