

## Quality initiatives by DQAC/IQAC per year for promoting quality culture

For promoting quality culture DQAC/IQAC committee has been organising lectures by eminent scientists and faculties of different institutes from time to time since many years. All the students of various programmes have participated in these lectures and benefitted from them. These lectures have provided proper exposure to the students of our institute and they have got opportunities to interact with great people in physics field.

Following is the summary of the events of various lectures.

## **Lectures from Eminent Scientist from Different Scientific Organization**

**2014-15**

School of Physics had organised lecture of eminent professor Dr. B.D. Srivastava who has also served his valuable service in Vikram University, Ujjain. He gave the lecture on X-Ray Spectroscopy which is regarded as one of the most important characterisation techniques for material science students.

Lecture Delivered by Prof. (Dr.) B. D. Shrivastava,  
Ujjain on X-Ray Spectroscopy in 2014

**2015-16**

School of Physics had organised lecture of eminent scientist **Dr. A. K. Sinha of UGC-DAE-CSR Indore**. He gave the lecture on Nuclear Physics and gave his valuable views and knowledge related to researches in this subject which is regarded as one of the tough and challenging field of physics .

Lecture Delivered by Dr. A. K. Sinha, UGC-DAE-CSR Indore on Nuclear Physics in  
2015

**2015-16**

School of Physics had organised lecture of eminent scientist **Dr. V. Ganeshan, UGC-DAE-CSR Indore on Solid State Physics**. He gave the lecture on various facilities provided by IUC-DAE-CSR and guided the students on how to avail those facilities. He gave his valuable views and knowledge related to researches in this subject.

**Lecture Delivered by Dr. V. Ganeshan, UGC-DAE-CSR Indore on Solid State Physics  
in 2015**

**2016-17**

School of Physics had organised lecture of eminent scientist **Dr. N.P. Lalla, UGC-DAE-CSR Indore on Condensed Matter Physics**. He gave the lecture on various facilities provided by IUC-DAE-CSR and guided the students on how to avail those facilities. He gave his valuable views and knowledge related to researches in this subject.

**Lecture Delivered by Dr. N.P. Lalla, UGC-DAE-CSR Indore on Condensed Matter Physics in 2016**

## Notice

Dr. D. M. Phase from UGC-DAE-CSR, Indore has kindly consented to deliver a lecture on "*Thin film preparation by pulsed laser deposition*" 16/02/2017 at 3:00pm in room no 103 All are cordially invited.

Ref: Letter No VC/P-1/2014/264 dated 07/07/2014.

Subject: Submission of feedback/ suggestions of the faculty members of the department for incorporation in the proposal to establish DAVV as model university of Madhya Pradesh.

A faculty meeting was held in the Head's office on 10/07/2014 at 1:30 PM to discuss on the feedback/ suggestions of the faculty members of the department for incorporation in the proposal to establish DAVV as model university of Madhya Pradesh. Following are the minutes of the meeting.

- Some of the faculty members of the department have strong research collaborations with foreign institutes. Due to this, bright and deserving students of the department get opportunities to interact with International researchers. The aim of the department is to have formal MOU's with international universities and institutes so that more number of students can have international exposure.
- Presently MOU's with RRCAT, Indore, UGC-DAE-CSR, Indore, CEERI-CSIR, Pilani, IPR, Gandhinagar and PRL, Ahmedabad have provisions under which student and faculty of the department can avail the library and experimental facilities of the institutes, while scientist working there can be recognised as Ph.D supervisors in the university. The same can be envisaged in MOU's with international universities and institutes so that exchange programmes for research scholars can be started.
- The university should fund a five year integrated B.Sc. /M.Sc. program so that students can be prepared from earlier stage of learning.
