

Quality initiatives by DQAC/IQAC per year for promoting quality culture

For promoting quality culture DQAC/IQAC committee has been organising lectures by eminent scientists and faculties of different institutes from time to time since many years. All the students of various programmes have participated in these lectures and benefitted from them. These lectures have provided proper exposure to the students of our institute and they have got opportunities to interact with great people in physics field.

Following is the summary of the events of various lectures.

Lectures from Eminent Scientist from Different Scientific Organization

2014-15

School of Physics had organised lecture of eminent professor Dr. B.D. Srivastava who has also served his valuable service in Vikram University, Ujjain. He gave the lecture on X-Ray Spectroscopy which is regarded as one of the most important characterisation techniques for material science students.

Lecture Delivered by Prof. (Dr.) B. D. Shrivastava,
Ujjain on X-Ray Spectroscopy in 2014

2015-16

School of Physics had organised lecture of eminent scientist **Dr. A. K. Sinha of UGC-DAE-CSR Indore**. He gave the lecture on Nuclear Physics and gave his valuable views and knowledge related to researches in this subject which is regarded as one of the tough and challenging field of physics .

Lecture Delivered by Dr. A. K. Sinha, UGC-DAE-CSR Indore on Nuclear Physics in
2015

2015-16

School of Physics had organised lecture of eminent scientist **Dr. V. Ganeshan, UGC-DAE-CSR Indore on Solid State Physics**. He gave the lecture on various facilities provided by IUC-DAE-CSR and guided the students on how to avail those facilities. He gave his valuable views and knowledge related to researches in this subject.

**Lecture Delivered by Dr. V. Ganeshan, UGC-DAE-CSR Indore on Solid State Physics
in 2015**

2016-17

School of Physics had organised lecture of eminent scientist **Dr. N.P. Lalla, UGC-DAE-CSR Indore on Condensed Matter Physics**. He gave the lecture on various facilities provided by IUC-DAE-CSR and guided the students on how to avail those facilities. He gave his valuable views and knowledge related to researches in this subject.

Lecture Delivered by Dr. N.P. Lalla, UGC-DAE-CSR Indore on Condensed Matter Physics in 2016

Notice

Dr. D. M. Phase from UGC-DAE-CSR, Indore has kindly consented to deliver a lecture on "*Thin film preparation by pulsed laser deposition*" 16/02/2017 at 3:00pm in room no 103 All are cordially invited.

Head, School of physics
DAVV, Indore

SCHOOL OF PHYSICS
DEVI AHILYA UNIVERSITY, INDORE

October 24, 2017

In view of the visiting lectures under Special Assistance Programme (SAP-UGC), Dr. Ajit Sinha has kindly agreed to deliver lecture on

The Fascinating Story of Nuclear Force
अजब नाभिकीयबल की ग़ज़ब कहानी

The lecture will be held at Laser Bhawan on 26th Oct at 3.30 pm.
All the Faculty members and Students are invited to attend the lecture.

School of Physics

**SCHOOL OF PHYSICS
DEVI AHILYA UNIVERSITY, INDORE**

November 3, 2017

In view of the visiting lectures under Special Assistance Programme (SAP-UGC), Dr. Aparna Chakraborti, Scientific officer, RRCAT has kindly agreed to deliver lecture on

Why we must study Quantum Mechanics?

The lecture will be held at Laser Bhawan on 6th Nov at 3.30 pm.
All the Faculty members and Students are invited to attend the lecture.
