

## ARTISTIC CLOCK CREATION

We organized one day workshop on 'Artistic Clock creation' at Department of Lifelong Learning, DAVV campus for students, homemakers & senior citizens. Instructor was Mrs. Swarna Modi. Many candidates were presented in workshop.

The workshop provided a simple-to-follow walkthrough on the basics of Acrylic colours and how to create unique abstract designs. In workshop candidates learnt to make Fluid Art Clock and exciting and unique Artistic clock. Students created their own beautiful ocean piece and many other abstract designs through the interplay of colours.

The objectives of Artistic clock creation workshop was to deepen and broaden the knowledge and skills acquired. Expresses own observations, visual images from one's own imagination, feelings and thoughts through art. Learns to understand the work process involved in creating art through their own experiences.
